INTRODUCTION

I am going to attempt to make sense out of this data below regarding the different alien types that supposedly exist and how and why they genetically modified the human race which they refer to as CONTAINERS.

I will let you be the judge from there. I am simply the messenger who is bringing this information to you from a Biblical perspective and and from an alien agenda perspective which is not accurate in my opinion.

GENETIC CODE BEAMED FROM THE SKY

Is it Alien or Human?

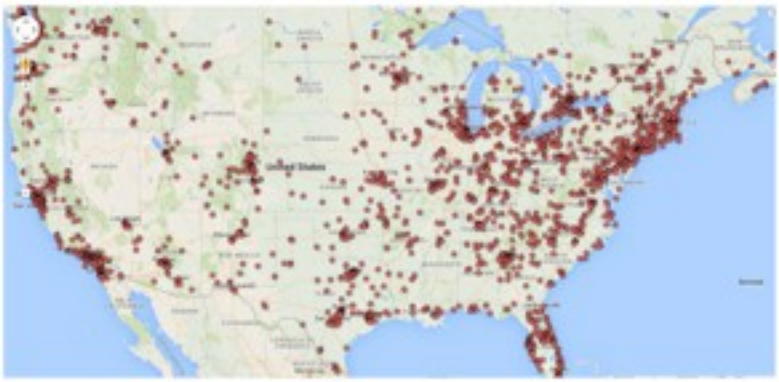
I have been doing research now for over 20 years about the subjects that I write about and one of these subjects are alien abductions. I watch and listen to SO many stories about alien abductions and 411 Missing People that I suspect the culprits are aliens and that aliens are abducting people from the woods and from wherever they go missing. Yes I am sure Dogman and Bigfoot, etc., are also involved but when you can cast a tracker beam to the earth that is for the most part unseen by the naked eye, aliens can grab anyone they what anywhere they want.

TO YOU UNBELIEVING NAYSAYERS

It's time for you to take a long lunch break. We do not want you in this class today because what we are talking about takes serious thinkers and you are not on the "serious thinker list."

We know that aliens created hybrid bloodlines it is in all of the ancient lore around the world including the Bible. Genesis Chapter 2 is clearly about artificial insemination done by a god and that god was NOT MY HEAVENLY FATHER. Those events caused what is referred to in the religious world as the FALL OF MAN.

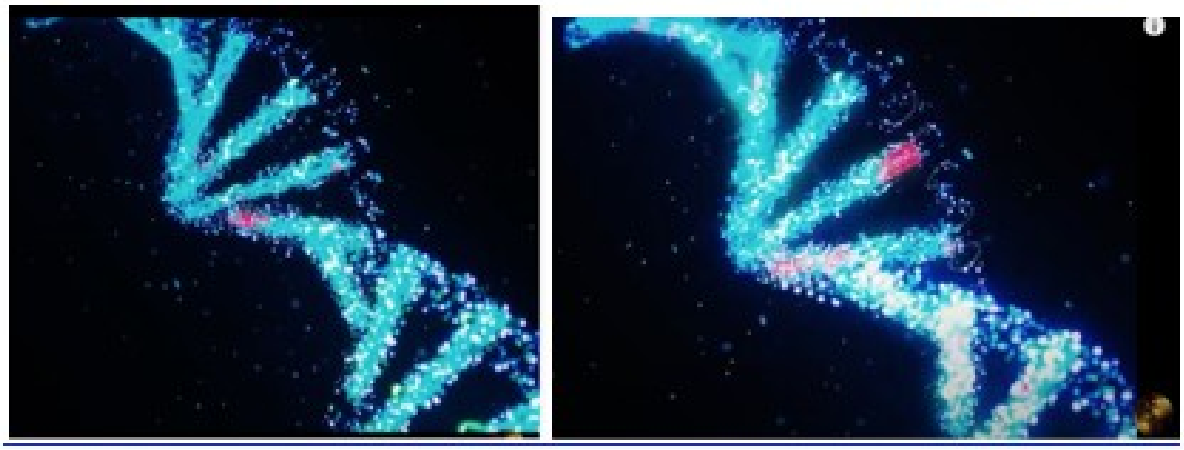
(Alleged map of underground tunnels, entances, suspected entrances, etc..)



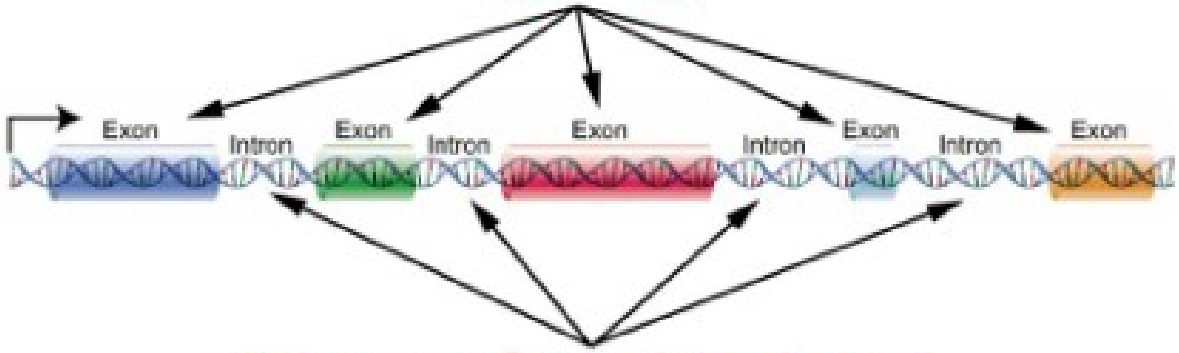
You hear the stories of how people are walking and camping out in national parks and that while these families are at these sites PEOPLE GO MISSING. What makes some people more likely to be abducted? Are certain people being protected by let's say their guardian angels more where others are not? Could certain people be chip implanted with homing devices so that aliens know just where to find them? Are their alien and or Shadow Government and Military bases inside or under these National Parks where people go when they go missing? If so are aliens monitoring who is on the mountain or State Park and HOW?

IS THEIR A CODE BEING BEAMED DOWN FROM SPACE JUST LIKE IN THE MOVE CONTACT WITH JODIE FOSTER?

What is so interesting about the code being beamed down from space in the move Contact is that there does seem to be a code that is being beamed down from space today as well that can now be **linked to human DNA. Now OUR HEAVENLY FATHER is not beaming down a code but aliens certainly can and probably are. Could the Shadow Government also be sending this code from their satellites etc.**



Coding Regions



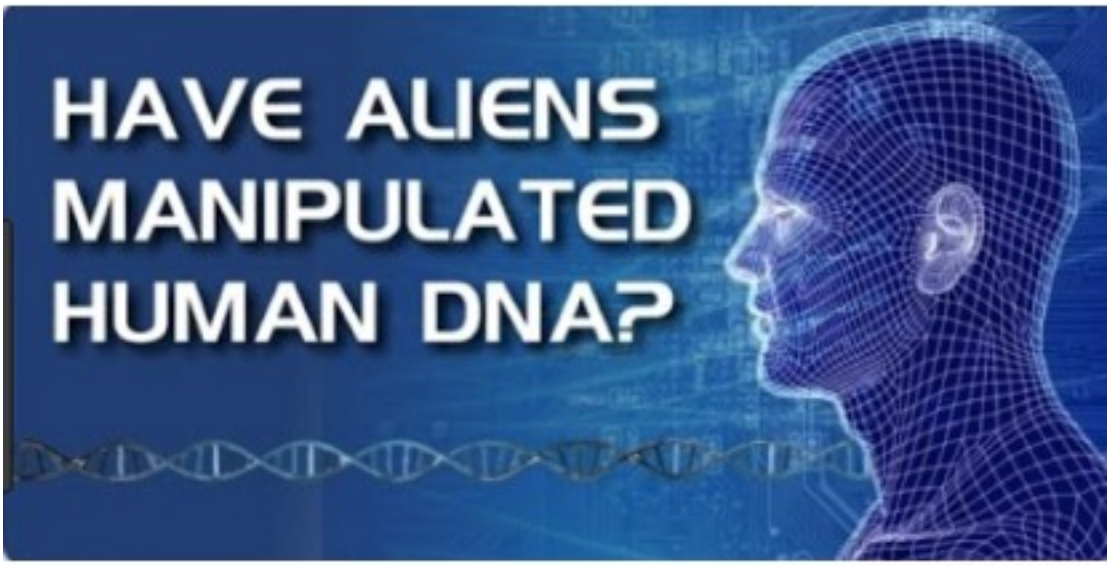
Non-coding Regions

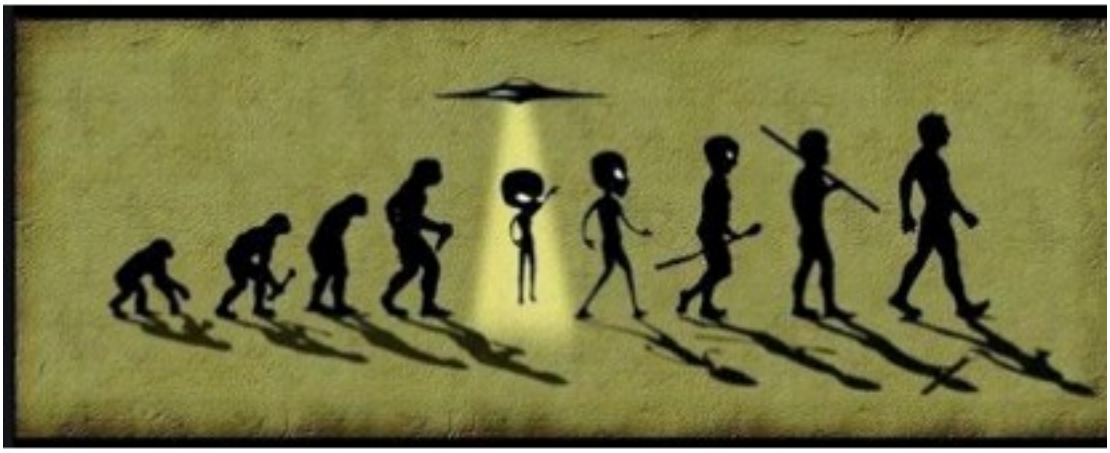
(Containing large TE content)

The answer is YES, there is a signal coming from space that is sending the human DNA code/signal to earth? The two scientists above (Maxim Makulov Fesenkov, Sherbeck) from the Human Genome Project discovered that mankind has been intelligently designed (genetically altered). They discovered that our DNA has been genetically manipulated with mathematically arithmetic patterns and symbolic language. They discovered this as they were mapping human DNA codes. They discovered that early HUMAN ALIEN HYBRID TRIBES were intelligently designed. The signal from space according to Carl Sagan is a non-random signal.

It is a repetition of prime numbers and it is coming from an intelligent source. This random signal is also found in our DNA. Their are 9 repetitions of 37 numbers. They state that this encoding is coming from extraterrestrials and that evolution is not what we have been told that it is.

(Yuri Rumer a Nuclear Physics) from the Astrophysical Institute is another source you can Google.





In following this up I discovered that the Sumerian, Middle East, Indian and African etc., missing alien human hybrid link was accomplished through alien genetic engineering also that all of these ancient hybrid tribes have the same story of the gods who came down to manipulate there race into existence.

Now keep in mind that if you DIG DEEPER, which NO ONE SEEMS TO WANT TO DO IF THEY PROMOTE DARWINS THEORY OF EVOLUTION you will find that THEIR IS THAT NASTY PESKY MISSING LINK that no one can explain or find in Darwin's theory. We know today that that MISSING LINK was added by the ALIEN INTELLIGENT DESIGNERS.

When you dig further into this alien human hybrid factor you will find that in order to clone or artificially inseminate hybrid man, aliens used not only alien DNA and primate DNA but they also had to take the DNA from our Scandinavian Mitochondria Mothers. All human beings carry our Scandinavian Mitochondria Mothers DNA in their genetic make-up. IT IS A BEST KEPT SECRET THESE DAYS. Our Scandinavian Mitochondria Mothers are the original race of mankind that was created on earth that had not been artificially inseminated with alien or primate DNA.

Scientists Claim Cro Magnon DNA Fully Modern, Unchanged for 28,000 Years

A Cro-Magnon DNA sequence 28,000 years old was obtained from fossil bones discoverd in the Paglicci cave, in Italy. The results show that the DNA is identical to the DNA sequences of certain modern Europeans. The DNA sequence has remained static and unchanged over 28,000 years. This means that Cro Magnon was a fully modern individual who perhaps had a larger brain capacity. (1)

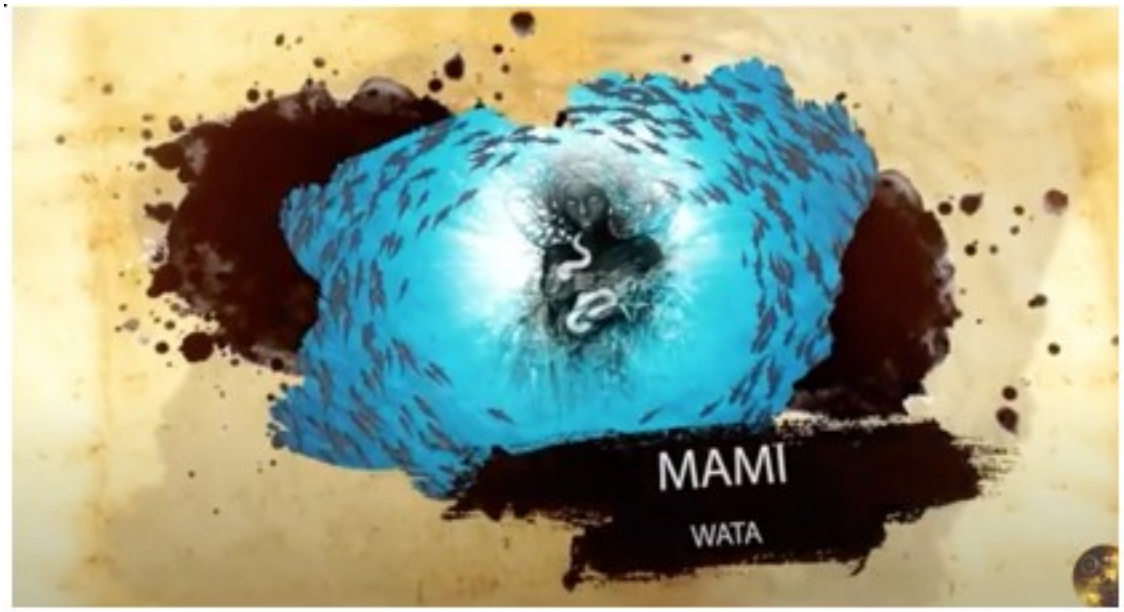
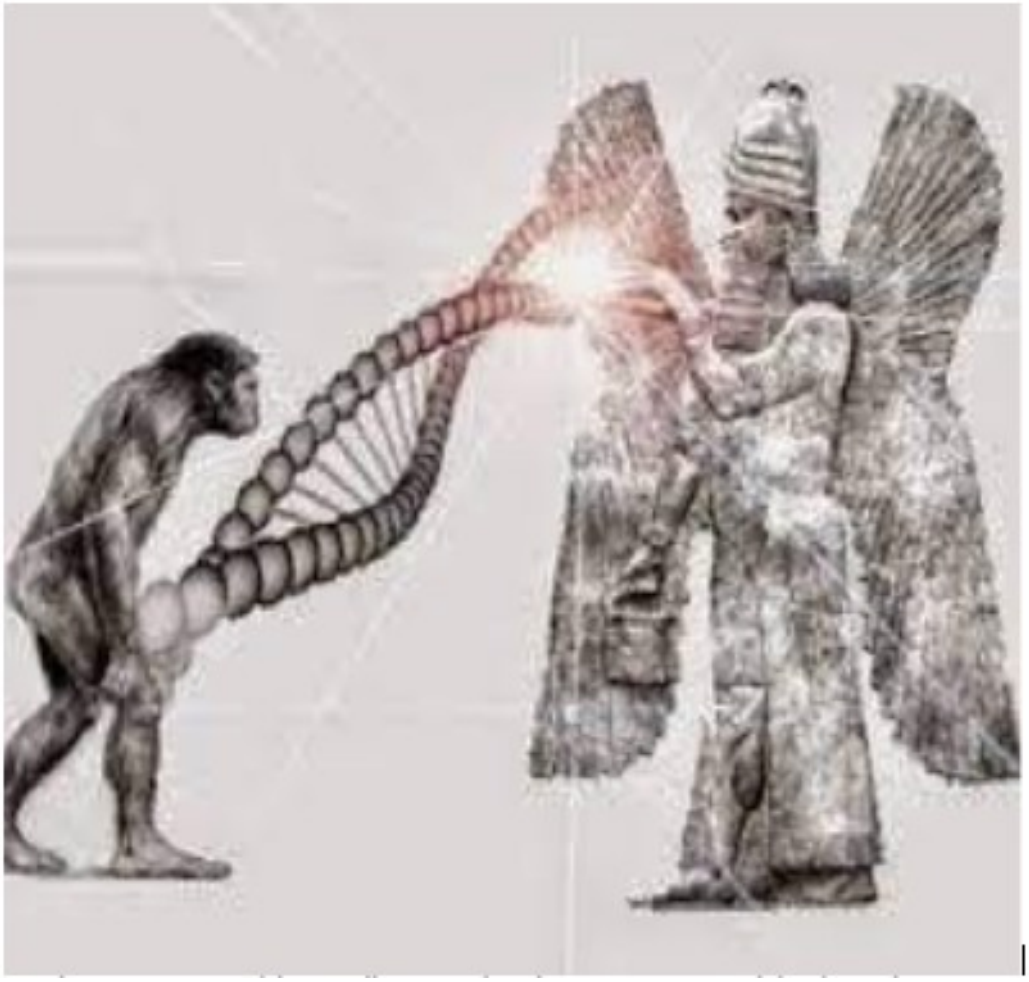
Seven thousand five hundred fifty-six (7556) haplotypes of 46 subclades in 17 major haplogroups were considered, and the finding that the Europeoid haplogroups did not descend from "African" haplogroups A or B is supported by the fact that bearers of the Europeoid haplogroups, as well as all non-African haplogroups do not carry either SNPs M91, P97, M31, P82, M23, M114, P262, M32, M59, P289, P291, P102, M13, M171, M118 (haplogroup A and its sub-clades SNPs) or M60, M181, P90 (haplogroup B). The researchers, using quantitative methods focused on the shape of dental fossils, find that none of the usual suspects fits the expected profile of an ancestor of Neanderthals and Modern humans (Cro magnon).

Yes, let me repeat that. What seems to have happened is that aliens created their alien human hybrid races using genetic engineering techniques but we also have ancestors who were Scandinavians to begin with that carried NO primate or alien DNA whose DNA was altered over time through breeding with these alien human hybrid races. These European Scandinavians were the descendents of the much earlier race known as the Hyperborean’s who migrated into South Western Europe ahead of the developing Ice Sheet. Many moved back to Scandinavia after the melting of the last Ice Age Period.

The E.T. Signature has been discovered today inside our HUMAN DNA CODE. It clearly shows an ET **INTERVENTION TOOK PLACE** DURING THE EARLY HISTORY OF THE HUMAN RACE. The aliens who did this were called the Mami Wata. Each culture had their own names for these aliens.





Fusing or Tweaking Alien and Primate DNA with the Pinecone Device of the gods

You will notice as you watch and listen to experts talking to abduction victims that aliens use devices to paralyze, track, tweak and move people from one spot to another. Some are

referred to as pinecone devices because they look like a pinecone.

THE BOOK OF ENOCH IS ONLY ONE OF MANY ABUDUCTION ACCOUNTS FROM THE PAST

In the Soviet Union, Agrest[39] and others have called attention to several biblical incidents which they suspect to reflect contact with extraterrestrial civilizations. For example, Agrest considers the incidents related in the apocryphal book, the "Slavonic Enoch," to be in reality an account of the visitation of Earth by extraterrestrial cosmonauts, and the reciprocal visitation of several galactic communities by a rather befuddled inhabitant of Earth. However, the Slavonic Enoch fails to satisfy several of the criteria for a genuine contact myth mentioned above: it has been molded into several different standardized supernatural frameworks; there is no transparent extraterrestrial motivation for the events described; and the astronomy is largely wrong. The interested reader may wish to consult standard versions of the manuscript[40].

There are other legends which more nearly satisfy the foregoing contact criteria, and which deserve serious study in the present context. As one example, we may mention the Babylonian account of the origin of Sumerian civilization by the *Apkallu*, representatives of an advanced, nonhuman and possibly extraterrestrial society[41].

THE ORIGIN OF HUMAN ROYALS TOLD IN TALE OF ANUNNAKI MALES WITH HUMAN FEMALES
EVENTUALLY, ANUNNAKI MALES BEGAN TO TAKE HUMAN FEMALES AS SEXUAL PARTNERS, AND OFFSPRING WERE BORN THAT WERE ANOTHER HYBRID SPECIES WITH MORE ANUNNAKI DNA. THEY WERE REFERRED TO AS "DEMI-GODS," AS THEY WERE NOT FULL ANUNNAKI ("GODS"), NOR WERE THEY FULLY HUMAN.
THIS INTERBREEDING IS DESCRIBED IN GENESIS, CHAPTER 6:
"AND IT CAME TO PASS, WHEN MEN BEGAN TO MULTIPLY ON THE FACE OF THE EARTH, AND DAUGHTERS WERE BORN UNTO THEM, THAT THE SONS OF GOD SAW THE DAUGHTERS OF MEN WERE BEAUTIFUL, AND THEY TOOK WIVES OF ANY OF THEM WHICH THEY CHOSE. AND THE LORD SAID, 'MY SPIRIT SHALL NOT ALWAYS STRIVE WITH MAN, FOR HE IS ALSO MORTAL, YET HIS DAYS SHALL BE NO MORE THAN ONE-HUNDRED AND TWENTY YEARS.' THERE WERE GIANTS IN THE EARTH IN THOSE DAYS, AND ALSO AFTERWARDS, WHEN THE SONS OF GOD CAME UNTO THE DAUGHTERS OF MEN AND BARED CHILDREN WITH THEM. THE SAME BECAME MIGHTY MEN OF OLD, THE MEN OF RENOWN."
THE JEWISH BIBLE DESCRIPTION OF THE EVENT LEAVES OUT CRITICAL INFORMATION

If you go back into hybrid history you will discover that these aliens that "flit and flew" in the sky were also known as the Fish Gods, the Fallen Watchers, the sky gods and by many other names, came up from underground under sea bases to clone these hybrid races and to tweak them during their development. They also bred with them in order to create a race of hybrids to rule the different hybrid nations. These hybrid kings and queens were much taller than the average person living in the region. They were reportedly as tall as the Anunnaki Fallen Watchers who were 7-10 ft tall. It is the descendents of these hybrid kings and queens who rule our world today who we call the AshkeNAZI Zionist, Sephardic Jews and Merovingian (ASM) New World Order Elite. **IT'S ALL ABOUT WHAT'S IN YOUR DNA.**

ALIENS MAY HAVE SENT A ‘STRONG MESSAGE’ FROM DEEP IN SPACE, SCIENTISTS CLAIM

Scientists hunting for life on other worlds have asked for 'permanent monitoring' of the star, in the hope of other messages

Andrew Griffin Tuesday 30 August 2016 09:30

A new signal has been found deep in space that could come from alien life.

The community of astronomers and scientists who scan the skies with telescopes in an attempt to find extraterrestrial life is abuzz with excitement over a “strong signal” detected deep in space that could come from an alien civilisation.

Scientists are cautioning people not to get quite too excited – at least not yet. The evidence remains preliminary and more work will need to be done to establish if it is not just a mistake, let alone whether it’s actually an extraterrestrial communication.

The message appears to have come from a nearby star, HD164595, in the constellation Hercules. That star is 95 light years away – relatively close at the scale of the universe – and almost exactly the same size as Earth.

What’s more, that same star has at least one planet, HD164595b, which is roughly the size of Neptune and has a 40-day year. It’s this planet that has people excited, since it appears that it could have the right conditions for supporting life.

The signal came to public attention after it had been noted by science fiction author Paul Gilster, who maintains a blog that looks at deep space exploration and alien life. Until then it had gone unremarked – the signal was actually detected in

May last year, and was only brought to light after a presentation by the scientists who found it.

Claudio Maccone of Turin University in Italy attended a talk by the two scientists, who work at Russia's Ratan-600 telescope. He passed that data on to Mr Gilster, who then wrote up his blog describing what had been found.

Possible second Earth discovered

"No one is claiming that this is the work of an extraterrestrial civilisation, but it is certainly worth further study," wrote Mr Gilster on his site Centauri Dreams.

He wrote that the strength of the signal might suggest that it came from a Kardashev Type II civilisation. The Kardeshev scale indicates how advanced an alien civilisation might be: a Type I civilisation can use and store energy from a nearby star as we can, whereas a Type II civilisation can harness the energy of the entire star and would be far more advanced than mankind.

"Working out the strength of the signal, the researchers say that if it came from an isotropic beacon, it would be of a power possible only for a Kardashev Type II civilisation. If it were a narrow beam signal focused on our solar system, it would be of a power available to a Kardashev Type I civilisation," Mr Gilster said.

He did acknowledge that the signal might have been noise rather than an actual signal.

Nasa's most stunning pictures of space
Show all 30

"The possibility of noise of one form or another cannot be ruled out, and researchers in Paris led by Jean Schneider are considering the possible microlensing of a background source by HD164595. But the signal is provocative enough

that the RATAN-600 researchers are calling for permanent monitoring of this target.”

The Russian scientists who first found the signal wrote in their presentation that the probability of it being noise was low. As such, it should be permanently monitored by Seti scientists to see whether more can be learned about the star and its planet, they said.

Some at Seti – the search for extraterrestrial intelligence, which is a collective of scientists looking to find transmissions from alien life – have already squashed the possibility of alien communications.

“I was unimpressed,” wrote Eric Korpela, an astronomer who works closely on the Seti project. “Because the receivers used were making broad band measurements, there's really nothing about this 'signal' that would distinguish it from a natural radio transient”, he wrote, pointing to the fact that it could equally have been caused by a stellar flare, active galactic nucleus, microlensing of a background source, or something else entirely.

“There's also nothing that could distinguish it from a satellite passing through the telescope field of view,” he wrote in a post aimed at trying to temper the excitement . “All in all, it's relatively uninteresting from a Seti standpoint.”

Hawking launches alien search

Mr Korpela said that SETI@home – the project that lets people volunteer their computers to search for life elsewhere in the universe – picks up “millions of potential signals with similar characteristics, but it takes more than that to make a good candidate”. The new potential star didn’t even satisfy the minimum criterion – that it should be detected multiple times.

If it isn’t heard again then it might be something like the “WOW” signal, received in 1977. That was a powerful radio signal that came from a group of stars called **Chi Sagittarii.** The astronomer who discovered it, Jerry Ehman, circled it and wrote WOW next to it to mark it for future study, but the message was never detected again.

Seti scientists hope to hear more from the star by using the Allen Telescope Array, a huge system that can be used to look for messages that indicate alien intelligence. It was pointed towards the star over the weekend but has not as yet found any signal.

“However, we have not yet covered the full range of frequencies in which the signal could be located, if it’s of far narrower bandwidth than the Russian 1 GHz receiver,” Seti wrote. “We intend to completely cover this big swath of the radio dial in the next day or two. A detection, of course, would immediately spur the Seti and radio astronomy communities to do more follow-up observations.”

Seti hopes that those observations can be enough to learn more about the star system that the signal is supposedly coming from.

“So what’s the bottom line?” asked Seth Shostak, senior astronomer at Seti. “Could it be another society sending a signal our way? Of course, that’s possible.

“However, there are many other plausible explanations for this claimed transmission, including terrestrial interference. Without a confirmation of this signal, we can only say that it’s 'interesting'.”

They Found It!... 'Human DNA Was Designed by Ancient Aliens' - Scientists Report

I am going to share with you what Jesus (Yashua) told his followers regarding the creation of non-human entities and the creation of the human race. The article I am taking this information from is the "Sophia Pistis" document, which can be found in the Nag Hammadi Scrolls.

What Jesus (Yashua) taught regarding the creation of these entities and the human race in the “Sophia Pistis Story” is complicated however the story goes something like this. The non-human entities known as the “Watchers” aka “Aeons” were what we might refer to today as the guardian angles.

These guardian angel agents were lead by Jesus (Yashua) in creating the original human race. At some point after the earth and everything on it was created, a group of these “Watcher Aeons” decided to form a mutiny by leaving the ranks of the “Watchers” to enter our three-dimensional world and tamper with the human race.

This was referred to as the period known as alien and mans **“Fall From Grace.”** They became the “Fallen Angels,” or the “Archons.” Today we refer to the “Fallen Angels” as the Nordic Aryan Alien “Fallen Watchers” and Yahweh Ildabaoth the Demiurge and his reptilian sons of god.

Once they fell they began to abduct MEN AND WOMAN who they raped and impregnated. The hybrids born from the rape and DNA tampering of the archons were not EXACTLY human. Some were giants that are referred to in all ancient legends including Genesis Chapter 6 in the Old Testament.

These evil entities we WRONGLY REFER TO ALIENS TODAY, tampered with human DNA changing the lives our prehistoric ancestors, their health and their DNA codes forever.

In their Fallen State the bodies of the Nordic Aryan Alien “Fallen Watchers” and the Reptilians were in a contaminated state and so was their DNA. What they added to our original DNA strand was **anything but perfect**. Every life form on Earth carries a genetic code for these extraterrestrial cousins today and it is called E.T. Junk DNA.

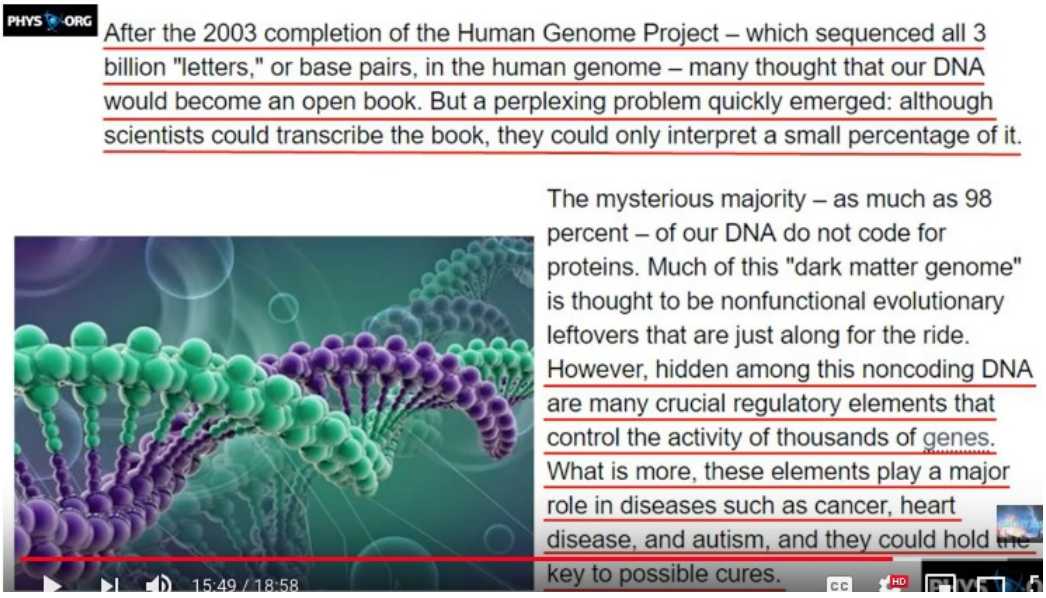
All ancient legends tell us that the original human beings on earth were perfect in every way. These legends tell us that

our original prehistoric ancestors did not age or get sick. They had abilities similar in nature to what Jesus (Yashua) exhibited on earth. Among other talents they possessed was the ability to telepathically communicate.

They are said to have enjoyed a full life and lived in a beautiful area of our world known as the “Garden.” This “Garden” was said to have been in the north in a place called Hyperborea, which was "Beyond where the North Wind Blows."

Today the Hyperborean region has moved to the North Pole and is under ice and snow, which is one of the many reasons our scientist are not able to track DNA back to our original ancestors. When the earth moved during the last Geophysical Pole shift the land of Hyperborea went under Ice and Snow.

The life they lead would have been a perfect life (in the Original Garden of Hyperborea) according to our standards today until these evil entities entered our three dimensional world and began to abduct, rape and contaminate human DNA.



PHYS.ORG
After the 2003 completion of the Human Genome Project – which sequenced all 3 billion "letters," or base pairs, in the human genome – many thought that our DNA would become an open book. But a perplexing problem quickly emerged: although scientists could transcribe the book, they could only interpret a small percentage of it.
The mysterious majority – as much as 98 percent – of our DNA do not code for proteins. Much of this "dark matter genome" is thought to be nonfunctional evolutionary leftovers that are just along for the ride. However, hidden among this noncoding DNA are many crucial regulatory elements that control the activity of thousands of genes. What is more, these elements play a major role in diseases such as cancer, heart disease, and autism, and they could hold the key to possible cures.
15:49 / 18:58

THERE IS NO MISSING LINK

NON HUMAN DNA WAS ENCODED INTO OUR ORIGINAL HUMAN DNA INSTEAD

All human beings today have an alien genetic code sequence, that when counted totals about 97% of our human DNA. E.T. Junk DNA is a non-coding sequence, which was added into our DNA by these evil entities we wrongly refer to as aliens today. This is why we refer to it as "extraterrestrial junk genes" (E.T. Junk Genes). These “extraterrestrial junk genes” are strung in with our human DNA in a sort of dormant stage. This E.T. Junk DNA was strung in place as if they had hopped on to "enjoy the ride" along with our hard working active genes that have been passed down to us from our original human ancestors before these entities infiltrated the human race and our genome. There is evidence that E.T.’S disposed of, or deactivated some of our “Big Code”, leaving us with only 3% of our original working human DNA. By eliminating segments of our “Big Code” they disabled our cells in ate ability to perfectly reproduce or duplicate themselves. Instead of making exact copies of our cells, our body makes damaged cells causing our bodies to get sick age and die.

Some people refer to these evil entities (we wrongly refer to as aliens today), as higher forms of life because they are so technically advanced in certain areas. WE SHOULD ALL KNOW BETTER TODAY. We know that they are simply masters of LOST hidden technology mankind has been slowly rediscovering.

Our E.T. Junk DNA is proof that these evil archon entities made contact with 'Earth humans' thousands upon thousands of years ago. The New Age and those promoting the “Alien Agendas” claim that these evil entities created human beings. Despite what those promoting the “Alien Agenda” say, our DNA codes indicate that they did not create us but manipulated human DNA away from it’s perfect state. This is why 85% of the human race has Rhesus

Monkey protein encoded in their DNA. It is referred to as **“Monkey Blood.”**

There is more bad news. The E.T Junk DNA codes they gave us cause human illness and death.. These alien cells in our DNA, produce human conditions such as cancer and have their own veins, arteries, and there own immune systems that vigorously resists all our anti-cancer drugs. They produce deformities and disabilities in human beings. Scientists are now telling us that these E.T. Junk DNA strands have been in-planted in humanity by Manipulative Extraterrestrials. Scholarly groups at the forefront of investigative suggest that E.T. Junk DNA may not have been added to human DNA not as a "building block for life" but to act rather as a **"parasitic inhibitor" and "regulator."** That one of the reasons these Manipulative E.T. Archons bred with human beings and tampered with our DNA was to **control humanity through DNA**. THIS IS NOT GOOD NEWS. Today the vaccines that Bill Gates wants to force on humanity also contaminate our DNA. His goals was to add nanochips into these vaccines for tracking and for other nefarious reasons.

Those people who promote the New Age and “Alien Agendas” believe that these evil entities we wrongly call aliens today, created mankind. Yet these entities do not have ability to create human beings and had to resort to rape, artificial insemination and DNA in-coding to create there hybrid races and to seek to rule over and destroy the human race. Even the Old Testament attests to their INABILITY to create life. Genesis Chapter 2 is an example of the alien human hybrid Adam and Eve who were cloned they were not born into the world. The Scientists in the article below describe what these evil entities do.

Word on the street tells us that one of the main reasons the do this is so they can enter this new Container and possess it on earth. These evil beings cannot enter any body if it does not have the correct genetics.

Nordic and Reptilian Aliens and their cyborg chimera are described as a:

Scholars suggest Human DNA shows signs of being an Invasive Extraterrestrial Parasite
by Dr. John Chang

http://www.surfingtheapocalypse.net/cgi-bin/forum.cgi?noframes;read=217519

Many scientists have documented that over 95% of Human DNA does not have a known purpose. This DNA has been colloquially referred to as "Junk DNA".

Up to 97% of the human genetic information (DNA) is seemingly needless, repetitive "junk" - only about 3% is known to generate proteins, deserving the name "gene". The rest used to be called "junk DNA", lately renamed as "non-coding introns", sometimes labelled by the mysterious, though not very explicit description that these self-similar strands "regulate gene expression".

However, other researchers have not been content to simply classify this predominant part of DNA as "one of life's mysteries". Scholarly groups at the forefront of investigative researchers are gathering details which suggest that DNA may not substantively exist as a "building block of life". Rather, it appears that the substantive function of DNA is to act as a "parasitic inhibitor" and "regulator" of life on planet Earth.

Dr. John Lash documents, for example, in metahistory.org:

Recent work by Russian biologist Piotr Garjajev and some Russian linguistic experts suggests the same thing, and, more specifically, this research may show that junk DNA, rather than being a discard, is “a computer hologram that works with laser-type radiations.” In short, DNA is an extraordinary generator of perceptions, an instrument of virtual reality.

By accepting the link between DNA and emotional and mental activities, we may begin to imagine DNA as a complex program that directs the life process (regulating our

metabolism, for instance), but impedes our consciousness from complete manifestation.

Research testimony that includes ancient representations, suggest that DNA was implanted in humanity by Manipulative Extraterrestrials. The fact that over 95% of DNA does not support vital biological living processes suggest that it is conceivable for biological life to exist without any DNA.

More than 95 % of all DNA, had been first called "Junk DNA" by molecular biologists, because they were unable to ascribe any function to it. They assumed that it was just "molecular garbage". But, if it were "junk", the sequence of the "syllables", i.e. the nucleotides in DNA should be completely random. However it has been found that the sequence of the syllables is not random at all and has a striking resemblance with the structure of language (ref. Flam, F. "Hints of a language in junk DNA", Science 266:1320, 1994), that is alien to humanity. Scientists now generally believe that this DNA must contain some kind of coded information.

You might wonder, what understanding of our human origins could account for the parasitic implanting of DNA into biological life on planet Earth? Indeed, this further inspires the question; who are we? What are our origins; why do we exist' and from that context, where are we going? For starters, it is vital that we as humanity begin to question the "understandings" of reality, that have been presented to us, by elites who have been documented time again, for spinning a "web of deceit". In this context, it is also correspondingly vital to critically consider prospective new insights, irrespective of how much the Establishment responds with denial.

The existence of historical and on-going Extraterrestrial contact with Earthbound humanity, has been at the forefront of this denial. Indeed, the alleged contactees of both

Manipulative and Ethical Extraterrestrials offer insights into a context of genetic manipulation within biotic life on Earth.

The article titled "Scholars suggest Extraterrestrial-like DNA fractals floating in the Human Gene Pool" explored fractals as evidence that Manipulative Extraterrestrials may have sought to genetically manipulate and control humanity. LINK. A group of researchers associated with Fractogene.com document these apparent similar artificial "fractal signatures" across different biotic life forms on Earth:

This uncertainity if "junk DNA" is really "junk", that caught some scientists by surprise, is now history. Indeed, scientists were never quite sure that any part of DNA could be discarded outright, and even the question was raised if introns might play a role in evolution, see Mattick, 1994., Klyce, 2002). The bombshell of the 5th of December issue of the highly reputed Nature 420, 509 (2002) revealed that the 99% of the genes of the mouse have direct equivalents with the humane genes. What does this mean?

FractoGene's pending patent, conceives life on Earth as being linked to a fractal elaboration of a gene by its introns (the fractal model of Purkinje cell was published by Pellionisz, 1989). In so doing, Fractogene seems to have stumbled upon "introns" as Manipulative Extraterrestrial signature of the demonic inorganic mechanical intelligence that ancient pagan Gnostic referred to as "artificial man" or the "archons". Introns, derived from the term "intragenic regions" and also called intervening sequence (IVS), are DNA regions in a gene that are not translated into proteins.

Many studies have documented evidence that introns are either directly or indirectly involved in cancer causation, and other diseases. Mutations in the introns have been specifically linked to cancerous "tumorigenesis progression."

Among the many other intron genetic variations that have been linked to cancer (in this case lung cancer) is a K-ras

intron variation involving tandem repeats in the H-ras 3'-untranslated region. Mutations in introns may influence neoplasm development because mutations that occur in introns (or in the DNA sequences that flank the gene) can affect the various steps required for normal expression of the gene even though the intron codes may not be detectable by studies of the protein product of the gene. If the defective expression of a gene product is a tumour suppressor gene or a proto-oncogene, cancer may result.

Article 4

The Adam and Eve stories around the world are stores of the artificial insemination and or cloning done by aliens who created the different hybrid races on earth to look like themselves or to resemble themselves.

This is what the reference in the Book of Genesis meant when the gods decided to "Let Us Make Man in our own image and likeness." This alien human hybridizations all began at least 200 thousand years ago, no one knows for sure. I am giving you a sort of Christian perspective here because the Bible is riddled with stories of aliens who have always been referred to as GOD, LORD, Lord God, Lord, God or "the gods."

Those stories coincide with ancient Sumerian Babylonian legends because it is where the stories in the Old Testament came from. Babylonia was known as the "**Land of the Gods**."

Every alien human hybrid tribe around the world told these stories of aliens, alien cloning and artificial inseminations. The Bible only gives us the JEWISH AND MIDDLE EAST PERSPECTIVE TOLD BY THE JEWS yet the stories were global stories. All of them are EVIL. **None of them referred to Jesus or Our Heavenly Father as the real creators of "all and everything" says the Apostle Paul. Jesus and Paul tried to expose and warn us about them. They referred to aliens as the Evil Powers and Principalities of the air, the real rulers of the earth.**

ALIEN HUMAN HYBRID CLONING ACCORDING TO THE JEWS

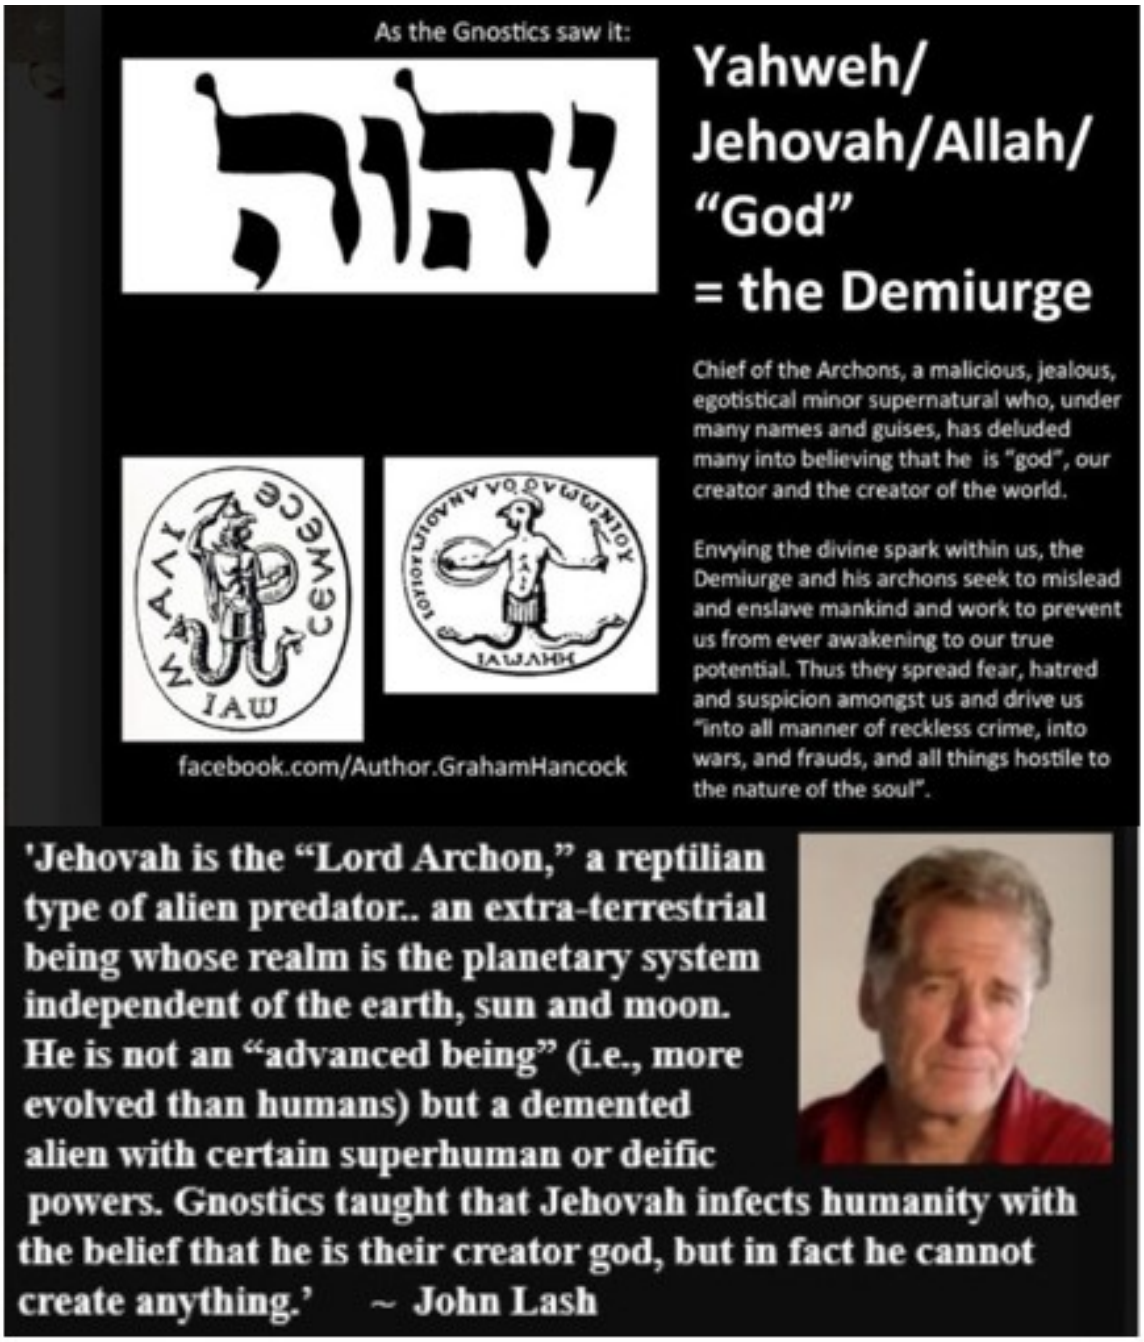
El is the old Israelite high god, whose sons, including Yahweh, were the patron deities of the nations. The sons of El were each given a nation as inheritance, ...

"Come let us make man in our own image and likeness". Genesis 1-26 yet not until today are we beginning to understand who or what those gods were because the Christian Religion has been hiding who they are from all of us from the very beginning of the formation of the Jewish and Roman Orthodox Catholic and Christian Church (JROCCC). Aliens had many different names back then depending on the culture referring to them, but the real name the Jews used for them was not God or Lord, those were their titles. The gods were known as god El and the Elohim and as Yahweh Ildabaoth the Demiurge and his reptilian sons to Jesus. That data can be found in the Sophia Pistis Story. WE ARE NOT SUPPOSE TO KNOW THIS BUT IT IS COMING OUT TODAY JUST AS PROPHESIED.



As the Gnostics saw it:

= the Demiurge
Chief of the Archons, a malicious, jealous, egotistical minor supernatural who, under many names and guises, has deluded many into believing that he is "god", our creator and the creator of the world.
Envying the divine spark within us, the Demiurge and his archons seek to mislead and enslave mankind and work to prevent us from ever awakening to our true potential. Thus they spread fear, hatred and suspicion amongst us and drive us "into all manner of reckless crime, into wars, and frauds, and all things hostile to the nature of the soul".

'Jehovah is the "Lord Archon," a reptilian type of alien predator.. an extra-terrestrial being whose realm is the planetary system independent of the earth, sun and moon. He is not an "advanced being" (i.e., more evolved than humans) but a demented alien with certain superhuman or deific powers. Gnostics taught that Jehovah infects humanity with the belief that he is their creator god, but in fact he cannot create anything.' ~ John Lash

Among the Elohim was a lesser being known as Yahweh Ildabaoth the Demirge and his Reptilians, Dragons and Snake gods who were being worshipped by the Jews according to the Deuteronomy Revisions who contributed their ideologies into the Jewish texts in and around 600 B.C.

Our Scandinavian Mitochondrial Mother Race

MANKIND WAS BORN AS A SINGLE SCANDINAVIAN RACE BUT ENDED UP A MIXED HYBRID RACE DUE TO ALIEN CLONING AND THROUGH GENETIC MODIFICATIONS

We have the race of Indian Adams and the Black Eves that were one of the earlier hybrid races on the landscape but let's not stop there. We spread out to India, the Orient and to legends of other hybrid races who's DNA was added to the human gene pool. We also have the Neanderthals and Danisovans who were another species of human like beings. Today we also have Big Foot chimera whose legends goes

back to the Epic of Gilgamesh legends from ancient Sumer and to Dogman whose legends go back to Egypt and the list goes on.

WHO WERE THESE CLONING GODS ACCORDING TO SOME PEOPLE ? BUYERS BEWARE!!!!! DON'T TRUST EVERYTHING YOU READ.

They fall into two basic categories, the Nordic's and the Reptilians. Legends tell us that they have always been at war with each other over control of the earth. These two groups of aliens have created a network hybrid androids known referred to as WORKER BEES who are known as the Grays etc. In Biblical times, these worker bees were also referred to as the angels/agents of the gods. Jesus and the Apostle Paul referred to them as the "Evil Powers and Principalities of the air the real rulers of the world."

Below is an article that I am sharing with you from http://www.tarrdaniel.com/documents/Ufology/alien_species.html

ALIEN WORKER BEE'S INVOLVED IN THE CLONING OF THE ADAMIC AND EVADAMIC ALIEN HUMAN HYBRID RACES

Some people refer to the hybrid Sumerian Adams and Eves in Genesis as the first hybrid descendants of the Anunnaki. gods in the Middle East. It is believed that the Adam / Eve theme in Genesis came from the Babylonian culture in Mesopotamia Sumer. This alien human hybrid theme also shows up in many cultures on every continent and in many ancient texts. It is also believed that there are two basic races of alien beings within our universe. They include the Draconian, dragons and reptiles as well as the Nordic Alien Fallen Watchers, that battle for the domination of Terra aka Earth. These hybrids would generally have dark hair, dark eyes. Their was is also the Celtic Neanderthal red hair green to olive eyes hybrid tribes in the Middle East while the Black Eves were associated more with Africa.. These alien human hybrid groups also include oriental's, Mayans, Indians and the list goes on. These different cultures are in perpetual wars because their gods provoke these wars.

In the cloning of Adam and Eve in Genesis, we have those factions being represented. A Reptilian (god) known back then as one of the LESSER Elohim gods who Jesus referred to as Yahweh Ildabaoth the Demiurge a lion-faced REPTILIAN cloned Adam and Eve. Then we have and Satan who was one of the Elohim gods who tempted Eve with the apple, which was a symbol for sexual liaisons. None of them were Jesus or Our Heavenly Father. Jesus referred to them as the "Evil Powers and Principalities of the World and as the real RULERS OF THE EARTH."

THE CATHOLIC CHURCH IS A PAGAN BABYLONIAN RELIGION THAT HAS BEEN OVERLAID WITH THE WORSHIP OF JESUS TO HIDE IT'S TRUE AGENDAS

SECRETLY the Jewish and Roman Orthodox Catholic and Christian Church worship the FISH GODS while only claiming to worship and promote Jesus. The Fish Gods were aliens who were the creators of the alien human hybrid Semite, Edomite, Canaanite, Turkish, etc., (SECT) SWAMP bloodlines and that includes all (dark hair dark eyed bloodlines) in the Middle and Far East. In this case

it is a reference to alien hybrid cloning by the alien gods whose legends came out of Babylon, Mesopotamia, Iraq etc.

The Jews, Roman leaders and the founders of the Jewish and Roman Orthodox Catholic and Christian Church (JROCCC) were the descendents of these alien human bloodlines who came out of Babylon. Jesus warned us

that the JROCCC would be created after he was gone that "did not preach, teach or believe what he believed."

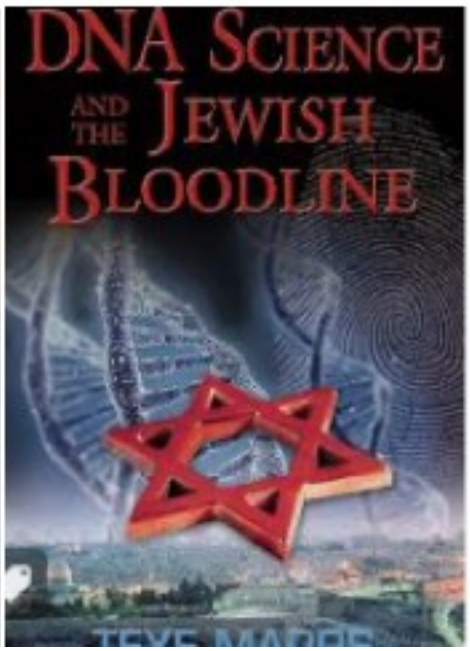
Catholicism was Babylonism. Nazism was practiced in Babylon

Alien Hybrid Bloodline Tree of Life Created by the Fish Gods

Dagon was originally an Assyro-Babylonian fertility god who evolved into a major northwest Semitic god, reportedly of grain and fish and/or fishing. He was worshipped by the early Amorites and by the inhabitants of the cities of Ebla and Ugarit . He was also a major member, or perhaps head, of the pantheon of the Biblical Philistines. more

WHO WERE THESE ALIEN TURKISH FISH GODS

Back in Babylonian times people were **not** allowed to create actual images to the gods to present them as they really looked. Instead, they had to produce symbolic images of them so that the people knew who the gods in that region were. Dagon was referred to as the Chief Deity of the Philistines that date back to 3000 BC. He was heavily worshipped in the cities of Azotus, Gaza and Ashkelon.



Coming forward in time we notice that12 miles north of Gaza and 32 miles south of Joppa we find five leading Philistine Fish God cities mentioned in the Bible that had migrated into Southern Israel from the coastline.

They were: Ashkelon, Ashdod, Ekron Gaza, Gath. They were also Philistine territories that later settled on the Israeli coastal plain in 1200 BC. Ashkelon comes from the word “shekel.” Ashkelon was a major trading center located on the international highway. Now look at who the Shekel bloodline became. They are known as the 13th Tribe

(Satan’s tribe) the Jewish Rothschild banking dynasty who carry the Nephilim Giant DNA.

They are part of the Semite, Edomite, Canaanite, Turkish (SECT) Serpent, Snake and Scorption (SSS) SWAMP that is installing the New Nazi World Order NWO today globally.

Little is known about Dagon regarding the Canaanite pantheon or Dagon's role among the Canaanite gods who were known for worshipping the Sun God but the position that he used to play in Palestinian religion is quite evident.

He was the god of fertility and crops. He was one of the Elohim recreator gods in Genesis. He was typically symbolically portrayed with the upper body of a man, and the lower body of a fish. "Dag" is actually the Hebrew translation for "fish," and "dagan" means grain in Greek. Often times, Dagon was associated with a female deity named Derceto. She also had the upper body of a human with the lower body of a fish. This may explain why Dagon is regularly portrayed as a half-fish, half-man creature. Coins from ancient Phoenician and Philistine cities indicate that Dagon was not solely represented as a fish-like creature. The fish lower body image may be due to different perceptions of Dagon that could have developed around the Mediterranean Sea which may have been the location for the under sea base camp of these aliens.

THESE WERE ELOHIM ALIENS WHO CLONED ALIEN HUMAN HYBRID RACES

Dagon was one of four sons to Anu, who was the Turkish Sumerian alien sky god.

Dagon's son Baal, later took on the role as the god of fertility which seems to refer to the growing of crops.

His brother El was a geneticist who was known as the "father or creator of (alien human HYBRID) bloodlines." He was typically portrayed with bullhorns, which may be a reference to the BULL god Mithras. The depiction of deities with bullhorns is actually evident in many ancient civilizations. Although Dagon was the Chief ALIEN Deity in Palestine, he was considered second to El in the Canaanite pantheon.

The religious practices involving Dagon continued to at least the second century BCE. At the time, the Israelites established a monarchy, and Palestine became their biggest enemy. Dagon's reign as a deity more than likely ended after to the destruction of temple at Azotus.

If you enjoy a big fat conspiracy theory, try this one out for size - people reckon aliens might have underwater bases here on Earth.

The theory stems from a number of UFO sightings near the Solomon Islands, with witnesses claiming the UFOs appear to rise out of the surrounding ocean where warships sank during World War Two before vanishing into a remote island lake.

This beaming light is just heading off to an underwater alien base. Credit: YouTube/History

Author Andrew Collins said on the programme: "There have been reports that objects, strange lights, actually rise up out of the waters into the air and move about for a period of time and then disappear.

"And often this is either witnessed from the beach or is experienced close hand by fishermen, and it said that sometimes these objects come so close that the fishermen can actually feel the heat as they pass."

Fellow author Mike Bara added: "There have been sightings of flying saucers appearing over the wreckage flying into and out of mountains in volcanoes in the area.

The fish gods were depicted wearing fish skins as a way of indicating that they came from the sea where they have under water and under land alien bases. They came to create alien human hybrid races. They created the Olive Tree, which appear to represent these alien human hybrid tribes.

Alien Abductees' Told their Story

These tribes became a race of hybrids Jesus warned us about who became the Semite, Edomite, Canaanite, Turkish (SECT) Serpent, Snake and Scorpion (SSS) SWAMP NEW WORLD ORDER today. They include the ancient AshkeNAZI Zionist, Sephardic Jews and Merovingian (ASM'S) and their Magdalenian line of BLUE BLOOD ROYALTY who stole the DIVINE RIGHT TO RULE THE WORLD from our ancient Scandinavian ancestors.

The two-horned mitre, which the Pope wears, when he sits on the high altar at Rome and receives the adoration of the Cardinals, is the very mitre image worn by the priests of Dagon, the fish-god of the Philistines and Babylonians."
Go to – The Two Babylons ; Alexander Hislop; p. 215

Not only does the pope wear this "Mitre" hat, but so do the Cardinals on certain occasions when they are dressed in their royal regalia. The hat represents the fact that the JROCCC is under the control of Aliens and promote Alienology not true Christanity.

The Mystery religion of ancient Babylon / Assyria, was known as the priestly class of “Dagon.” Today they have been transformed into the JROCCC CLERGY.

“The two-horned mitre, which the Pope wears, when he sits on the high altar at Rome and receives the adoration of the Cardinals, is a copy of the mitre worn by the Priests of Dagon, the fish-god of the Philistines and Babylonians.”
Go to - The Two Babylons ; Alexander Hislop; p. 215

There’s nothing in the Bible that indicates that Jesus Yahushua ever wore such a hat.

“…there is strong evidence that Dagon was Nimrod…. All scholars agree that the name and worship of Dagon was imported from Babylonia. ”– The Two Babylons, Hislop, p. 215

“In their veneration and worship of Dagon, the high priest of paganism would actually put on a garment that

had been created from a huge fish! The head of the fish formed a mitre above that of the old man, while its scaly, fan-like tail fell as a cloak behind, leaving the human limbs and feet exposed." – Babylon and Nineveh, Austen Henry Layard, p. 343

"The most prominent form of worship in Babylon was dedicated to Dagon, later known as Ichthys, or the fish. In Chaldean times, the head of the church was the representative of Dagon, he was considered to be infallible, and was addressed as 'Your Holiness'. Nations subdued by Babylon had to kiss the ring and slipper of the Babylonian god-king. The same powers and the same titles are claimed to this day by the Dalai Lama of Buddhism, and the Pope. Moreover, the vestments of paganism, the fish mitre and the Catholic bishops, cardinals and popes wear robes of the priests of Dagon. - The Wine of Babylon; Pg 9

The excavations done of ancient Nineveh and Babylon have shed light on the shocking connection between Dagon the fish-god and the Pope's Mitre (hat).

According to Egyptian mythology, when the judges found Osiris [Nimrod] guilty of corrupting the religion of Adam and cut up his body, they threw the parts into the Nile. It was said that a fish ate one of these chunks and became transformed. Later, Isis [Semiramis] was fishing along the river bank when she fished up a half-man, half-fish. This sea creature was

Dagon is the representation of Nimrod (of ancient Babylon) resurrecting out of the ocean depths as a half-man, half-fish.

"Dagon is the diminutive of dag, and signifies… fish… The Babylonians believed that a being, part man and

part fish, emerged from the Erythraean Sea, and appeared in Babylonia in the early days of its history… Representations of this fish-god have been found among the sculptures of Nineveh. The Philistine Dagon was of a similar character.” used in their legends and myth’s – Manners and Customs of the Bible; James Freeman

And this also explains the symbol for Christianity, the fish – the “Ichthys” which is Dagon.

– *We are not allowed to fly directly over the North Pole, the stated reason being that the older navigation systems on for instance the B-747 would get temporarily confused as to which South to reference to. Newer navigation systems like on the B-777 mathematically switch the poles to the equator when we are far north or south and thus there is no ambiguity. However, they tell us to not even ask as we will not get permission to deviate directly over the pole, an it would be considered a gross navigation error.*

AGHARIANS - (or Aghartians)

A group of Asiatic or Nordic humans who, sources claim, discovered a vast system of caverns below the region of the Gobi desert and surrounding areas thousands of years ago, and have since established a thriving kingdom within, one which has been interacting with other-planetary systems up until current times.

Professor de Souza, in his capacity as leader of the Brazilian Theosophists, had for years been interested in the Agharti legend, and the more he pondered over the underground kingdom and its network of tunnels, and how it was conceivable that anyone might utilize them without a very special form of transport, the more he came to the conclusion that the Flying Saucers were the answer. That the subterranean dwellers were an advanced people seemed beyond doubt, so if they were capable of living and thriving beneath the Earth's surface there was surely no reason why they should not have developed a form of transport far more sophisticated than anything known on Earth. And the very shape, manoeuvrability and speed with which these craft were credited seemed to make them ideally suited for traversing the network of tunnels that lead to and from the underground kingdom.

In 1957, the ideas of de Souza and Strauss were carefully examined by a writer named O. C. Huguenin in a book called "*From The Subterranean World To The Sky: Flying Saucers*". After declaring that `the hypothesis of the extra-terrestrial

origin of the flying saucers does not seem acceptable', Huguenin wrote: We must consider the most recent and interesting theory that has been offered to account for the origin of flying saucers: the existence of a great Subterranean World with innumerable cities in which live millions of inhabitants.

This other humanity must have reached a very high degree of civilization, economic organization and social, cultural and spiritual development, together with an extraordinary scientific progress, in comparison with whom the humanity that lives in the Earth's surface may be considered as a race of barbarians. According to the information supplied by Commander Paulo Strauss, the Subterranean World is not restricted to caverns, but is more or less extensive and located in a hollow inside the Earth large enough to contain cities and fields, where live human beings and animals, whose physical structure resembles those on the surface. Huguenin then describes how these people, far in advance of the rest of humanity in terms of scientific development, devised machines called Vimanas that `flew in the skies and the tunnels like aircraft, utilising a form of energy obtained directly from the atmosphere'. They were, he says, 'identical with what we know as Flying Saucers'.

ANAKIM,

The name 'Els' is short for 'Elder Race' or simply as the 'Giants')

Referred to in ancient Hebrew tradition, this race is allegedly tied-in with a branch of ancient humans who broke-off from mainstream humanity because of their vast size which had developed over the centuries, possibly as a result of a genetic anomaly. They are said to range anywhere from 9-11

ft. and in some cases even 12 ft. in height, although in configuration they are remarkably similar to 'International' humans. They are said to possess a means of molecular condensing and expansion, which allows some of their kind to mingle among humans on the surface. They have allegedly been encountered in deep and extensive cavern systems below the western part of North America, as far north as Alaska, as far south as Mexico, and as Far East as Texas. They are believed to have interstellar traveling capabilities

https://iamisatthedoors.wordpress.com/2012/11/25/the-nephilim-giants-according-to-the-bible/

Let’s explore this giant race of people together according to the Scriptures provided to us in the Bible. It is believed by many that this race of giants were created when “the sons of God” came unto the daughters of men and bare children to them. Many will argue that this refers to the godly line of Seth, which intermarried with the daughters of men, alluding to the ungodly line of Cain. When you look at all the facts, I will show how this theory is not likely.

The names and different races for the giants in the Bible include:

- Nephilim
- Rephaim
- Anakim
- Emin
- Zamzummin
-

The term “Nephilim” occurs just twice in the Hebrew Bible, both in the Torah. The first is Genesis 6:4, immediately before the story of Noah’s ark when God floods the whole earth destroying all the evil in the earth in those days:

1. When men began to increase in number on the earth and daughters were born to them,

2. The sons of God saw that the daughters of men were beautiful, and they married any of them they chose.

3. Then the LORD said, “My Spirit will not contend with man forever, for he is mortal; his days will be a hundred and twenty years.”

4. The Nephilim were on the earth in those days—and also afterward—when the sons of God went to the daughters of men and had children by them. They were the heroes of old, men of renown.
The second is Numbers 13:32–33, where The Twelve Spies report that they have seen fearsome giants in Canaan:

32. And they spread among the Israelites a bad report about the land they had explored. They said, “The land we explored devours those living in it. All the people we saw there are of great size.

33. We saw the Nephilim there (the descendants of Anak come from the Nephilim). We seemed like grasshoppers in our own eyes, and we looked the same to them.”

The term “sons of God” is used twice in the Old Testament to refer to angels which is Genesis 6 and Job 1:6;2:1. There is a debatable third in Deuteronomy 32:8 where it is rendered “children of Israel” whereas the Masoretic text refers to angels. The Hebrew Bənê hā’ĕlōhim is where we get the English term sons of God. In Job there seems to be meetings where the **sons of God** would come to present themselves before the Lord, and Satan is considered one of them as he was there too. The same Hebrew words are the Bənê hā’ĕlōhim. The phrase explicitly references angels. This is supported by the Septuagint version of the Codex Alexandrinus, which, in Genesis 6:2, renders the phrase “angels of God”.

Since Classical antiquity, Biblical expositors such as Justin

Martyr, Eusebius, Clement of Alexandria, Origen and Commodianus have held the view that the “sons of God” in Genesis 6:1-4 were fallen angels who engaged in unnatural union with human women, resulting in the begetting of the Nephilim. Modern Christians have argued against this view by reasoning on Jesus’ comment in Matthew 22:30 that angels do not marry.

Let’s take a close look at this verse in Matthew:

For in the resurrection they neither marry, nor are given in marriage, but are as the angels of God in heaven.

Jesus said “but are as the angels of God in heaven.” In heaven is the key word here.

The Nephilim were on the earth in those days—and also afterward (flood)—when the sons of God went to the daughters of men and had children by them, the same became mighty men which were of old, men of renown.

Genesis 6:4 implies that the Nephilim have inhabited the earth in at least two different time periods—in antediluvian times “and afterward.” If the nephilim were supernatural beings themselves, or at least the progeny of supernatural beings, there is a theory that the “giants of Canaan” in Numbers 13:33 were the direct descendants of the antediluvian nephilim, or were fathered by the same supernatural parents.

Ask ourselves these questions: If the children of Adam’s sons Seth and Cain intermarried, why would the marriage produce a race of fierce giants? Why would the Scripture say "The Nephilim were on the earth in those days—and also afterward? This would be obvious if it were the case. Would Noah who was a just man (Gen. 6:9) and his family, the only survivors of the flood have intermarried with the line of Cain? When you did deeper you find many unanswered questions

in the Jewish Old Testament.

Something in the earth in those days happened that the LORD was sorry he had made man on the earth, and it grieved Him at His heart. (Gen.6:6)

The story of the nephilim is further elaborated in the Book of Enoch. The Greek, Aramaic, and main Ge'ez manuscripts of 1 Enoch and Jubilees obtained in the 19th century and held in the British Museum and Vatican Library, connect the origin of the nephilim with the fallen angels, and in particular with the egrḗgoroi (Fallen Watchers). Samyaza, an angel of high rank, is described as leading a rebel sect of Fallen Angels who would descent to earth to have sexual intercourse with human females:

And it came to pass when the children of men had multiplied that in those days were born unto them beautiful and comely daughters. And the angels, the children of the heaven, saw and lusted after them, and said to one another: 'Come, let us choose us wives from among the children of men and beget us children.' And Semjaza, who was their leader, said unto them: 'I fear ye will not indeed agree to do this deed, and I alone shall have to pay the penalty of a great sin.' And they all answered him and said: 'Let us all swear an oath, and all bind ourselves by mutual imprecations not to abandon this plan but to do this thing.' Then sware they all together and bound themselves by mutual imprecations upon it. And they were in all two hundred; who descended in the days of Jared on the summit of Mount Hermon, and they called it Mount Hermon, because they had sworn and bound themselves by mutual imprecations upon it...

In the New Testament Epistle of Jude 14–15 cites from 1 Enoch 1:9. To most commentators this confirms that the author of Jude regarded the Enochic interpretations of Genesis 6 as correct. Jude 6 says:

And the angels which kept not their proper domain, but left

their own habitation, He hath reserved in everlasting chains under darkness unto the day of judgment of the great day.

These angels did not stay in their "proper domain", which to me is DARK MATTER, they left their own habitation in this dark other dimensional realm they came from. These angels are reserved in everlasting chains in the abyss or Sheol which is inside the earth for their judgment soon. What did these angels do that was so terrible that God threw them in hell in everlasting chains until judgment day especially when there is free roaming demon angels, and Satan. that do not appear to be in Sheol. Apparently these angels did some sort of abomination that sorely grieved God for such a punishment. Remember the comment in the Bible about this LORD who was sorry that he had made (hybrid) man on the earth, and it grieved Him at His heart. (Gen.6:6) This is when He destroyed the earth with the flood. Wickedness has always been in the earth. Jesus said, " And because iniquity shall be multiplied, the love of the many shall wax cold." What was so different before the flood?

Peter writes a verse that parallels Jude's:

For if God spared not the angels that sinned, but cast them down to hell, and delivered them into chains of darkness, to be reserved unto judgment; and spared not the old world, but saved Noah the eighth person, a preacher of righteousness,

THEY WERE RESPONSIBLE FOR THE FALL OF MAN BEFORE AND AFTER THE FLOOD (LAST GEOPHYSICAL POLE SHIFT).

Angels that did not keep their proper domain and fell to earth and bore children with daughters of men makes more sense as to why this God was so grieved that He flooded the earth for mans wickedness and threw these certain angels into hell in everlasting chains.

However, Jesus warned us what goes around comes back around when he said, "what happened before will happen again."

MORE REFERENCES TO GIANTS

According to Old Testament Jewish lore, Og king of Bashan was a remnant of giants and he had a bed of iron that was 13 and half feet long and six feet wide (Deut. 3:11). I do not trust these Jewish Deuteronomy Revisionists. They made many changes to the Old Testament that the public does not know about. There are many references to Og king of Bashan. Joshua 13:12 tells us that Moses fought the giants, defeated them and cast them out of the land. We are all familiar with David and Goliath. Goliath had a giant brother 1Chron:20:5:

And there was war again with the Philistines; and Elhanan the son of Jair slew Lahmi the brother *of* Goliath *the Gittite, whose spear staff was like a weaver's beam.*

Afghan Giant

This spear is given the same reference to Goliath's spear which the head weighed six hundred shekels (about 17lbs) of iron with an estimated length of 26ft. In Amos 2:9 we read that there were Amorite's whose height was "like the height of the cedars" and as strong as the oaks.

ANDROMEDAS

I do not trust what Mary is saying here it is not coming from a trustworthy source. Mary states that supposedly the Andromedan Council has ordered all extraterrestrial presences on the planet, in the planet, and on the moon to be completely out of our space. They want everything that's ET, benevolent or not, off the planet. This will be very interesting since there are over 1,833 reptilians living in our planet and over 18,000 grays living underground and on the moon. The council would like to see how we will live with each other when we are not being manipulated by ETs, as we have been for the last 5,723 years

10.000 Woman Were Transported to Antarctica

Abductees Speak of being Abducted by German Speaking Blonde aliens

ANUNNAKI ANTARCTICAN

This is allegedly a secret area of operations for both human and reptilian beings. It is said by some that Aryan-Nazi scientists actually developed disk-shaped aircraft capable of very advanced aerial performance, and that swastika's have been seen on a few aerial disks. **They may be piloted by a 'pure-bred' blond, blue-eyed German Aryan race. There appears to be more than one 'Blond' human society involved in the UFO scenarios.**

There does not seem to be anything more than a peripheral connection between the Antarcticans, the Telosian and the Pleiadean 'blondes' (i.e. we will refer to the Antarcticans as the 'Aryans'; the Telosians as the 'Blondes'; and the Pleiadeans as the 'Nordics' in order to discourage confusion). The Antarcticans may consist largely of 'batch consigned' pure- bred blue-eyed, blond Aryans who became victims of Hitler's obsession to create a super race, and as suggested by Harbinson and others most of these may be controlled through mind manipulation and implants, being 'human drones' who are used to keep this hidden society functioning. A massive joint humanoid-reptiloid underground system called the "New Berlin" is said to lie below the mountains of Neu Schwabenland, Antarctica. It is said by some sources that this joint human-alien force has spread terror through this sector of the galaxy, conquering and committing untold atrocities against the peaceful inhabitants of the earth. The famous abductee Barney Hill who along with his wife Betty was abducted by the Greys" in 1961, stated under regressive hypnosis that he had encountered an evil-eyed "German Nazi" while working with

the Greys on board the craft. It is claimed that the original "treaty" with the Greys was established by the Bavarian Thule and Illuminati societies as early as 1933. The collaboration was brought into America via the CIA, which was established with the help of American Nazi fifth column agents as well as European Nazi's who were brought into America through **Project Paperclip and other operations. THE COVERT INSTELLATION OF NAZISM HAS BEEN ONGOING SINCE WW12.**

ATLANS

Notice as you read this that these aliens are all located in underground basis were the Fallen Watchers were trapped in Shoel. I do not think that this is a coincidence.

These are humans, usually described as being benevolent by comparison to other groups, who are said to inhabit vast and complex cavern-cities beneath southern Brazil, and surrounding regions. The term 'Atlantean' or 'Atlan' in reference to these races, has been placed upon them because of the fact that these cavern networks along the east coast of Brazil were reportedly once a part of the antediluvian 'Atlantean' empire. The present inhabitants have no direct GENETIC relation to the ancient 'Atlantean' society which is said to have controlled these cavern systems several millennia ago, but are referred to as 'Atlanteans' simply because they are descendants of those who re-discovered and inhabited the ancient Atlan installations. As in North America and other continents, both common and gnome-like humans have been encountered here, some of which possessed advanced aerial or 'disk' technology. The Telosians claim to have some connections with South America, especially the Matto Grosso region where a sister city named POSID exists in a large cavern system underground.

Bigfoot and Dogman are known as Chimera's in the scientific world. Bigfoot is associated with the Annunaki god cloning activity to create a part human part primate man who could work the gold mines for them. Dogman legends go back to ancient Egypt.

BELOW IS MORE QUESTIONABLE DATA FROM MARY SUTTERLANDS article that I am SHARING WITH YOU. This information is being bantered around as if it was fact online. Take it with a grain of salt and remember that if some of these beings do exist they are ALL EVIL BEINGS.

BOOTEANS

Here Mary is talking about Reptilians from the 'Bootes' system. She says that these reptilian entities from the 'Draconis' system are allegedly involved with the 'Dulce' scenario as well as the infiltration- implantation-control of human society on earth in anticipation of their planned takeover at some point in the future (Draconian). To me this is all data that comes from sources that are involve in alienology who promote what aliens tell their victims. Mary is a woman who has been visited by lets call them "other worldly beings" where she gets a great deal of this data. Buyers Beware, these aliens are not from star systems they come in and out of other dimensions that are referred to as heavens in the Bible.

BURROWERS

Another mutation of the saurian or serpent race that is capable of burrowing through the earth. Possibly quadrupedal as well as be-pedal, these have been known to use their natural 'boring' abilities to create artificial tunnels like moles, or even spontaneously produced 'cave-ins' (the latter has allegedly been used in attempts to entrap or kill unsuspecting intruders into the underground domains). These may possess a highly- developed 'bio-sensing' system.

BUTTAHS

Being that dwells in spiritual darkness. The person may be intellectually developed.

The Buttah are normally associated with nightmares, abductions and the taking of small children. They usually come around at night. The Grey aliens who do abductions fall into this category. The Reptilians are also part of this group.

They are usually not very physically attractive. Apparently long ago there was a visitation long ago by Buttahs called Wacshashas who were negative, powerful, aggressive beings.

CETIANS - (or Tau Cetians)

A human race of 'Mediterranean' or 'South American' appearing, tan- skinned humans. Very similar to Caucasian humans on Terra except for SLIGHT differences (slightly pointed ears, higher physical 'density' for their size, slightly broader nose, 5' 5" tall on average, and often wear short 'Roman' or 'crew' style haircuts). Tau Ceti and Epsilon Eridani are said to be a major 'convergence' of exterran 'human' activity, and are said to be in alliance with the Pleiadeans (who in turn, according to contactees, have 'Federated' alliances with the Vegans, the Ummites, and others.).

The Cetian alliance with the Pleiadeans and 'other' societies who have been 'victimized' by the 'Grey' predators is based on a desire to establish a common defense against their reptilian nemesis.

CHAMELEON

Reptilians genetically bred to enable themselves to appear 'human'. Also less-humanoid appearing Reptiloids who use a form of technosis, molecular shape-shifting and/or laser holograms to produce an outward "human" appearance. Reports of these have surface from underground joint-operational facilities near Dulce, New Mexico; Dougway,

Utah; Groom Lake, Nevada; Deep Springs, California; and Fort Lewis, Washington and elsewhere.

They are reportedly involved in some type of infiltration agenda. These 'infiltrators' can appear remarkably human outwardly, however at the same time retaining reptilian or neo-saurian internal organs.

Often described as appearing 'bulge-eyed' with scaly, hairless skin behind their 'disguise'. One report alleged that the 'Chameleons' may utilize artificial 'lenses' to conceal "slit-pupiled iris'". Some claim they are genetically bred 'mercenaries' who are part of an advanced guard of a planned silent invasion- takeover of human society.

LIZARD PEOLPE'S CATACOMB CITY HUNTED

Engineer Sinks Shaft Under Fort Moore Hill to Find Maze of Tunnels and Priceless Treasures of Legendary Inhabitants

BY JEAN BOSQUET

Busy Los Angeles, although little realizing it in the bustle and bustle of modern existence, stands above a lost city of catacombs filled with incalculable treasure and imperishable records of a race of humans further advanced intellectually and scientifically than even the highest type of present day peoples, in the belief of G. Warren Shufelt, geophysical mining engineer now engaged in an attempt to wrest from the lost city deep in the earth below Fort Moore Hill the secrets of the Lizard People of legendary fame in the medicine lodges of the American Indian.

So firmly does Shufelt and a little staff of assistants believe that a maze of catacombs and priceless golden tablets are to be found beneath downtown Los Angeles that the engineer and his aides have already driven a shaft 250 feet into Public Library on West Fifth street to the Southwest Museum, on Museum Drive, at the foot of Mt. Washington.

"I knew I was over a pattern of tunnels," the engineer explained yesterday, "and I had mapped out the course of the tunnels, the position

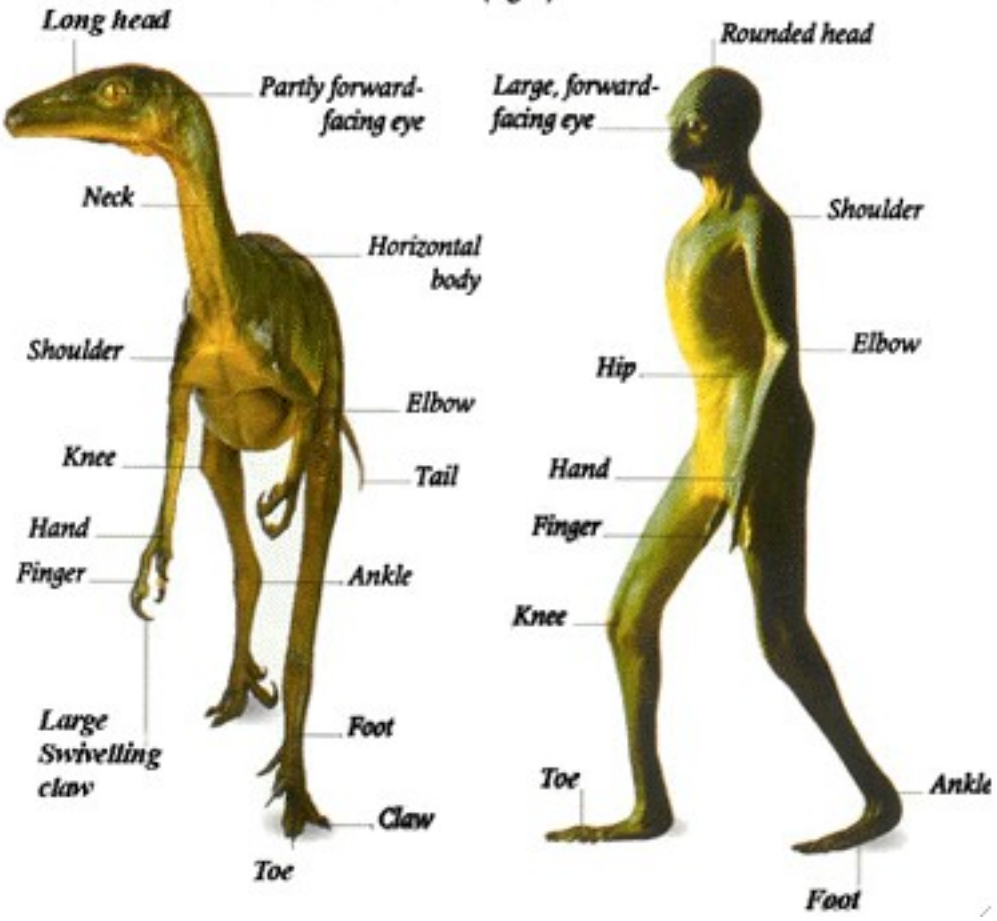
TROODON AND DINOSAUROID

In the early 1980s, the American palaeontologist Dale Russell suggested that, had dinosaurs survived, the big-brained, bipedal, bird-like *Troodon* with grasping hands (left), might have given rise to an intelligent and human-looking descendant like the "dinosauroid" (right).



DINOSAUROIDS
(Human Dinosaurs...Saurians)

From: The "NEVADA AERIAL RESEARCH JOURNAL" for Summer, 1989. Re-print a UPI news item, which appeared in a Berkley, California newspaper:

"Dale Russell, curator of fossil vertebrates at the National Museums of Canada in Ottawa, has developed a theory that intelligent life forms could have developed from the large reptiles that roamed the earth (in ancient times).

"Russell calls his imaginary creature a ‘Dinosauroid’, which would look like a hairless, green-skinned reptile with a bulging skull, luminous cat-like eyes and three-fingered hands...

"The amphibians evolved into a humanoid species that eventually developed a culture that ran its course or was destroyed in an Atlantis- like catastrophe--just after they had begun exploring extraterrestrial frontiers. Certain UFOnauts, then, may be the descendants of the survivors of that amphibian culture RETURNING from their space colony to monitor the present dominant species on the HOME planet."

DRACOS (Mothmen)

The leader elite of the Reptilians are the 'Draco'. They even have special 'wings', which are flaps of skin, supported by long ribs. These can be folded back against the body. They are also known as the "Dragon Race" and their symbology usually includes the Winged Serpent. Also known as the

Mothmen. There are elements of their species which do not have wings -- the "soldier class" of the species and 'scientists'

DRACO-BORGS

Cybernetic forms controlled by reptilian entities. These would also include those forms which are animated by fallen supernatural or paraphysical entities, whether of 'gray,' 'human-like', 'mechanical' or other configuration. There are some who suggest that human- appearing 'infiltrators' of this type may exist in our society, and that certain characteristics might give them away--i.e. the eyes, a slightly sulfurous smell, unrefined features such as no fingerprints or ears or other 'body' parts which seem to have a slight 'artificial' appearance.

DRAGONWORMS

These creatures are largely subterranean and have been reported on very rare occasions. Although a mutation of the serpent race which lost the use of it's limbs through centuries of atrophication, it is nevertheless apparently a part of the reptilian 'conspiracy'. The 'Dragonworms' are reportedly very intelligent, according so certain sources. 'They' have sometimes been described as appearing similar to a giant reptilian 'worm' or 'slug'.

DWARFS

Diminutive humans who have allegedly been encountered in or near caverns in various parts of the world, including northern California and the south-eastern Arizona / south-western New Mexico region and in some in connection to UFO's, although most reported 'dwarf' sightings in connection to UFO's are actually sightings of the saurian 'greys'. These should not be confused with the small 'elementals' or 'nature spirits' which some believe are ethereal in nature yet have the ability to appear in solid or

semi-solid form at times. The Dwarf races are allegedly just as human as surface peoples but average between 3 to 4 ft. in height, although at times they have been seen as small as two feet. As with the 'giants' or 'Els' this diminutivity may have resulted in a genetic anomaly which ran it's course due to the separation of their race(s) from the International 'gene pool'. They allegedly live in subterranean systems to a large extent as a 'protective' measure. And as we've said, some allegedly possess 'aerial disk' technology and interplanetary travel capabilities.

DROPAS

Humanoid type. Ave Heighth 3-4 foot. Crashed on the Sino-Tibetan Border in 10,000 B.C. Tribe of this culture still exists today.

ELS

Giants are defined as 'Els', El Anakims, based on the mythed 'EL-der Race, tied-in with the ancient Hebrew traditions, Evadamic heritage, having a very tall stature. Nephs or Nephli. Also known as the Titans. Not to be confused with the Elohims.

El (Could be the 'elite') who may be from the Orion group with an outpost base inside the Planet Mars.

Some prophesize that there will come a time of a great battle between the Els and the Serpent Race and use Revelations for the reference. REVELATION 12:7: 'Now war arose in Heaven, Michael and his Angels fighting against the Dragon and his Angels...'

The "Book of Enoch" from the Dead Sea scrolls says how these men married Earth women, who bore 'giants 3000 cubits high'. (Note, a cubit is 1 Sacred Jewish inch, so 3000 cubits would be about 250 feet.). These people may have helped build the pyramids.

The Men of Renown - the red and blonde haired Aryan giants of that epoch are dug up today all over the world, including the United States. *Red and fawn -haired mummies - 8-11 feet tall.

Afghan Giants

But the words for red and the red haired race have found their way into biblical names - all of the following denote the Race that formerly ran the 'Garden of Eden' Adamites Scythians, Phoenecians - from the root phoinos or blood red.

HOW DID ALIENS (ANUNNAKI) ALTER HUMAN DNA

May 2022

https://www.youtube.com/watch?v=FP0iw4JEEJA

New Science (Gregory Mattloft) is saying that the Universe is alive, intelligent and conscience. Entire galaxies will move if something begins to affect them. They will create evasive maneuvers. Greg states that the Universe is a living organism.

The book "Deep Truth" and "Human By Design" is suggested reading. Greg believes in Evolution but not when it comes to humans. He states that HYBRID Anatomically Modern humans showed up 200-300 thousand years ago as a fully developed species. We showed up on earth with a brain 50% larger than any other primate. We have in us genetic mutations from alien that occurred quickly not slowly or gradually such as what happens in the evolution of lower species.

The multiple alien human hybrid mutations occurred at the same time. Two chromosomes were fused and tweaked at the same time. Two little pieces of our (ctag) were fused and activated (genetic mutations) so that we can talk and sing at the same time.

Our bodies and brains have not changed for 200-300 years but they have been genetically modified from Scandinavian man to alien human hybrid man.

This does not fit in Darwin's Theory of Evolution. It will never fit. It does not fit with what we have been taught in our schools or churches when it comes to HUMAN HYBRIDIZATION. "You cannot put a square peg in a round hole" which is what Evolutionists etc., are trying to do. Textbooks are being banned that teach this so that we can continue to believe the old theories.

I have to pop in with what Jesus taught here because this DOES NOT CORRESPOND to what he taught. He taught that we are beings that he engineered and placed on earth for his glory ORIGINALLY. We came fully human to enjoy his creation before that Anunnaki Elohim aliens begin to genetically alter the human race.

Scientists Claim Cro Magnon DNA Fully Modern, Unchanged for 28,000 Years
A Cro-Magnon DNA sequence 28,000 years old was obtained from fossil bones discoverd in the Paglicci cave, in Italy. The results show that the DNA is identical to the DNA sequences of certain modern Europeans. The DNA sequence has remained static and unchanged over 28,000 years. This means that Cro Magnon was a fully modern individual who perhaps had a larger brain capacity. (1)

Our Anatomically Correct Scandinavian Ancestor before alien human hybridization

Greg starts with fossilized human DNA from our Scandinavian human ancestors who lived 200-300 years ago. He states that scientists know humans did not descend from the Neanderthal. We walked the earth with them but they evolved separately from anatomically modern humans aka (Cro-Magnons).

ABSTRACT We have identified two allelic genomic cosmids from human chromosome 2, c8.1 and c29B, each containing two inverted arrays of the vertebrate telomeric repeat in a head-to-head arrangement, 5'(TTAGGG)„-(CCCTAA)„3'. Sequences fln g this telomeric repeat are characteristic of present-day human pretelomeres. BAL-31 nuclease experiments with yeast artificial chromosome clones of human telomeres and fluorescence in situ hybridization reveal that sequences flanking these inverted repeats hybridize both to band 2q13 and to different, but overlapping, subsets of human chromosome ends. We conclude that the locus cloned in cosmids c8.1 and c29B is the relic of an ancient telomeretelomere fusion and marks the point at which two ancestral ape chromosomes fused to give rise to human chromosome 2.

FOURTH FLYING HUMANOID SIGHTING EMERGES OUT OF CHICAGO

MAY 13, 2017

Earlier this month, we reported on three separate witnesses that said they saw an unidentified flying humanoid over Chicago between 10 p.m. April 15th and 2 a.m. April 16th; now, a fourth witness from earlier that month has come to our attention.

The following eyewitness report was published by the UFO Clearinghouseon April 10th:

I’m writing this out after taking a day or two to really, really think out if I wanted to report this and tell others of what I saw the other night in Oz park here in Chicago. I finally decided that writing this out and submitting it would be therapeutic to me and might hopefully help identify what it was that I saw and maybe help someone else avoid the same thing.

I live in the Lincoln Park neighborhood in the city of Chicago and live about 1 ½ blocks from Oz Park. When the weather is nice, I usually go outdoors and to the park to jog and walk my dog. The night of April 7th was no different, it was mild and the cold weather had finally subsided so I decided to give the treadmill a break and go outside to jog and let the dog get some fresh air.

As I came to the corner of Burling St and Webster Avenue where I cross the street to the park, my dog began acting very peculiar and acted like she didn't want to go to the park. This is very strange as usually my dog goes absolutely nuts when we go to the park and has the time of her life running and sniffing.

On this particular evening, she acted like she was mortified to cross the street and enter the park.

As we crossed the street and came up to the area where the basketball courts are located and the start of the trail that goes around and through the park, my dog was practically being dragged as she resisted wanting to continue. After much effort, I finally got her to finally cooperate and begin the walk. I started walking East toward the Oz Garden, a route that is my usual when I come here to walk or to jog. As we walked toward the garden, I noticed that many of the birds you usually hear in the park were all but silent and that the only noise you could here was the usual city noise from the surrounding neighborhood.

As we rounded the sidewalk to head south with the garden to my left, I heard what could only be described as the flapping of wings. I really didn't give it a second thought as I assumed it would be some passing Canadian Geese that I've seen in the park recently. As we came toward the clearing where you would find the Baseball fields, something caught my eye and what I saw still scares the crap out of me. I saw a large man, probably 7 feet or taller standing on the ground. It was solid black, but what really stood out were the large, and I do mean large pair of wings that were folded behind him. These wings stood taller than the man by at least a foot and a half and jutted out of his back. I could not see it's face as it had its face turned away from me and probably didn't notice me at first. It finally turned and noticed me and I saw the bright, ruby red eyes that appeared to glow from within. It was at this time that it

turned and faced me and I got to see what it really looked like.

It was about 7 feet tall, and instead of clothes, it looked like a giant half man, half bird kind of thing. It reminded me of the character Birdperson from the show Rick and Morty, only a LOT scarier! This thing stared at me for about 15 seconds, which felt like an eternity and then in a loud whoosh it unfurled its wings and screeched really loud, and jetted into the air. These wings looked almost bat-like and were at least 10 feet across from tip to tip. I felt like this thing could see right through me, read me, it knew what I was thinking, like it could stare right into my very soul. It was the most terrified I have ever been in my life. It rose into the air like a bullet and I heard it screech once more before losing it from my view as it rose above the trees and possibly the buildings. It was at that time that I realized that I had yet to scream or react in any way. I was just numb, numb from my head to my toes. I finished my walk early and walked home, all the while trying to see if I could see it again once I got to the street.

It was the scariest thing I have ever experienced and it lead me to look up giant mutant birds online and eventually came to sights talking about similar sightings that other people have had and eventually to where I could post and report my own sighting. I don’t want you to think that I am crazy, I’m just a normal person who had a weird and strange experience. I do not abuse drugs or take any kind of hallucinogens or anything like that. I know what I saw was real and that I saw it in Oz Park, in Chicago, Illinois. I don’t want publicity at all, I just want to tell my story and to warn others who might jog or walk the trails of Oz Park. I never felt like I was in any real kind of danger, if I did not provoke it. But, I felt that this creature could have ripped me limb for limb if I had approached it or threatened it in any way. Maybe it was passing through like the Canadian Geese do when they are migrating. Either way, I hope that we never get to meet face to face again.

Investigators from the UFO Clearinghouse were able to contact the witness, who wishes to remain anonymous.

According to investigators, the witness "is an educated professional who has lived in the Oz Park neighborhood for over 10 years and after some basic questions appears to be a credible witness with no need to propagate a hoax."

When asked why no picture was taken of the creature, "the witness stated that she was frozen in place and that the thought of grabbing her phone (Which was in her pocket) never occurred to her...She feels that part of the fear she felt was due to some unknown influence the creature might have had over her, a defense mechanism she hypothesized."

This fourth account occurred just prior to those previously reported to the Mutual UFO Network (MUFON), and within a few miles of all of the other sightings. Each known sighting in April has taken place within a few mile radius of the eastern edge of Chicago along Lake Michigan. So far, the creature remains unidentified.

It appears that aliens my be switching ON our dormant DNA or ET JUNK DNA. They can do this because they disabled it in the first place so don't be surprised.

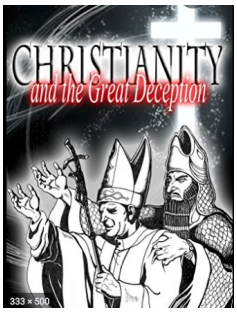
MEET WHILSTLE BLOWER DAVID GRUSCH

WE ARE BEING INTRODUCED TO THE NEW WORLD ORDER THAT IS UNDER ALIEN CONTROL TODAY

Article 1

Jesus and the Apostle Paul warned us about these evil "Powers and Principalities of the air who are the real rulers of our world."

DID YOU KNOW THAT THE BIBLE DOES NOT SPEAK ABOUT RELIGION NOR DID JESUS OR THE APOSTLE PAUL. THE BIBLE SPEAKS ABOUT THE WORSHIP OF "THE GODS" WHO JESUS AND HIS FOLLOWERS CAME TO WARN US ABOUT. THIS IS WHY THE JROCCC HAD TO DESTROY THE ORIGINAL CHRISTIAN RELIGION AND MARCIONS "ORIGINAL NEW TESTAMENT." WE WOULD LEARN DATA THEY DID NOT WANT US TO KNOW AND AT THE SAME TIME LEARN ABOUT THE EVIL GOD THE JEWS WORSHIPPED.



DAVID GRUSCH A SHILL? |GILGAMESH, THE BIBLE & DISCLOSURE IN 2023 | PAUL WALLIS

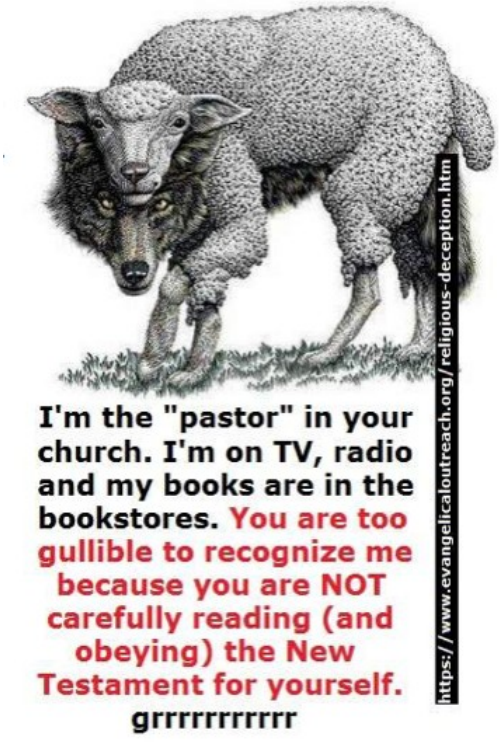
https://www.youtube.com/watch?v=M1ELBqWC_H0&t=547s

Did you know that the Jewish and Roman Orthodox Catholic and Christian Church (JROCCC) began as an EVIL Babylonian Communist Sumerian Nazi political movement known as the Roman Empire that COVERTLY transformed itself into a CATHOLIC religious movement to survive as Rome was FALLING?

The JROCCC has always worshipped the alien FISH GODS while pretending to be Christians as a COVER. Fish God symbolisms were nothing more than a covert way to promote aliens that came up from under sea and under ground bases.

Did you know that alien worshipping pagan priests were transformed into Roman Orthodox Priests by changing the garments they wore and adding Christian data to their

movement as a cover to FOOL THE MASSES? We know this simply by looking at the fish god hats, pagan satanic symbolisms and practices, the Egyptian and Babylonian, Obelisk in St. Peters Square and the BABYLONIAN COLORED ROBES the priests and Pope ware and the golden chalice that hold the blood of the saints, which all link back to ancient Communist Babylonian Rule. Babylonism is the philosophy the Jewish and Roman Orthodox Catholic and Christian Church uses to rule over and control the masses? The ORIGIONAL CHRISTIANS were murdered, thrown into the lion's dens and hunted down like deer. During the transformation, the Roman Empire murdered more ORIGINAL CHISTIANS that have died in all of our wars.



I'm the "pastor" in your church. I'm on TV, radio and my books are in the bookstores. You are too gullible to recognize me because you are NOT carefully reading (and obeying) the New Testament for yourself.
grrrrrrrrrrr

Did you know that the Bible is full of paleo alien contact if you simply look deeper in to the original documents and root words and the texts that are both canonized and not canonized? Did you know that their were many many authors of books and writings that never made it into the Roman Bible Canon because they presented a different picture of Jewish and Middle Eastern life that revolved around aliens. Start with the book of Enoch, which was removed from the OFFICIAL Roman Canon. The JROCCC does not want us to know this until the time is right and they have all of their DUCKS IN LINE FOR THE END TIME DECEPTION OF MANKIND.

JEWISH HIGH PRIESTS COMMUNICATED WITH ALIENS

THEY WERE THE COHEN PRIESTS WEARING THEIR COMMUNICATION DEVICES OVER THEIR CHESTS AND OVER THEIR RADIATION PROTECTION APRONS

We now turn to those Jewish religious officials in the Bible who are today generally translated into English as "priests." The Old Testament Hebrew word for the ministers of the Old Covenant is כֹּהֲנִים [*kō·hēn·īm* or *cohenim*], singular כֹּהֵן [*kō·hēn* or *cohen*]. **Despite the fact that the word "priest" originates from the New Testament *presbyter*, and that that word has no immediate, etymological connection to the ministry of the Old Covenant — these Hebrew ministers came to be called "priests" in English, and in fact there is no other word in English that can adequately be applied to them or what they did.**

Alien Communication Device Worn by Jewish Priests over their radiation type protective apron

Did you know that the Jews and most tribes in the Middle East worshipped aliens known as the Elohim gods and did not worship Jesus, Our Heavenly Father? They OPPOSED what Jesus came to share with humanity when he visited earth? Did you know that the ruling classes of elite today promote Babyloniasm, Communism and ALIENOLOGY, which they are installing globally as the New World Order today?

This data is hidden inside the Bible texts we have today we just don't understand what to look for or how to interpret it because we don't know or understand the ORIGINAL ROOT WORDS or the MEANINGS of the words we find in our Bibles.

WE DON'T STUDY THE ORIGINAL TEXTS, the hidden symbolisms and meanings of the ORIGINAL WORDS.

HANG ONTO YOUR PANTS BECAUSE TODAY WE ARE BEING INTRODUCED TO THERE NEW BABYLONIAN WORLD ORDER AGENDA'S THAT MOST PEOPLE WILL NOT SEE COMING

We are living at a time period in prophecy known as the "**END TIME DELUSION OF MANKIND**" where the average Joe and Jane are clueless about what is hidden under the rugs and inside their dark closets.

Who is David Grusch and why did he turn into a whistleblower?

https://indianexpress.com/article/world/ufo-hearing-us-congress-what-we-learned-8863010/

The 36-year-old is a former intelligence official who had previously served in the US Air Force. He was a part of the Unidentified Aerial Phenomena Task Force, which works under the Department of Defense. Set up in August 2020, the task force aims to detect, analyze and catalog

Unidentified Aerial Phenomena that may pose a threat to US national security.

Speaking at the hearing held by the House Oversight Committee's national security subcommittee on July 26, David Grusch said that he is asking Congress to hold the US government accountable and thoroughly investigate claims that it is secretly holding an alien spacecraft.

"I became a whistleblower ... following concerning reports from multiple esteemed and credentialed current and former military and Intelligence Community individuals that the US government is operating with secrecy—above Congressional oversight—with regards to UAPs. My testimony is based on information I have been given by individuals with a longstanding track record of legitimacy and service to this country—many of whom also shared compelling evidence in the form of photography, official documentation, and classified oral testimony," he said.

This is not the first time that David Grusch has claimed that the US government has proof of UFOs. He has previously spoken to a variety of media outlets like *News Nation, The Debrief* and French newspaper *Le Parisien*, telling the latter that the US military had briefed some intelligence officials of "football field-sized" alien aircraft.

In the congressional hearing, he said that he has been told of the presence of "a multi-decade UAP crash retrieval and reverse-engineering program," but was denied access to the program. He added that he has spoken to officials who knew of "non-human" origin aircrafts from which "biologics" were recovered.

"As I've stated publicly already in my *News Nation* interview, biologics came with some of these recoveries... Non-human and that was the assessment of people with direct knowledge on the program I talked to that are currently still on the program," he added.

Who else were there at the hearings?

Besides Grusch, former US Navy pilot Ryan Graves, who is currently the executive director of Americans for Safe Aerospace, and Rt. Commander David Fravor were present at the hearing. They had both previously spoken about their experience encountering suspected UAPs.

Graves said that his squadron had encountered "dark grey or black cubes ... inside of a clear sphere, where the apex or tips of the cubes were touching the inside of that sphere" in Virginia Beach in 2014 and said that such encounters were not "rare or isolated."

"If everyone could see the sensor and video data I witnessed, our national conversation would change," Graves said. "I urge us to put aside stigma and address the security and safety issue this topic represents. If UAP are foreign drones, it is an urgent national security problem. If it is something else, it is an issue for science. In either case, unidentified objects are a concern for flight safety. The American people deserve to know what is happening in our skies. It is long overdue."

Fravor said that he encountered a suspected UAP in 2004. Describing it as a "smooth, seamless oval-shaped object", Fravor said that it hovered over the water off the California coast and climbed up rapidly before accelerating and disappearing. "I think what we experienced was, like I said, well beyond the material science and the capabilities that we had at the time, that we have currently or that we're going to have in the next 10 to 20 years," he added."

What next?

During the course of the bipartisan hearing, lawmakers said that the need of the hour is to gain clarity on what the government does and does not know. The committee asked

Grusch who they can call to testify in the committee's next hearing, to which Grusch said that he will provide a list of "cooperative and hostile" individuals in the government once the hearing is done.

Members present at the hearing included Republican Representatives Kelly Armstrong, Andy Biggs, Tim Burchett, Matt Gaetz, Paul Gosar, Glenn Grothman, Clay Higgins and Democratic party Representatives Cori Bush, Maxwell Frost, Katie Porter, Jamie Raskin and Alexandria Ocasio-Cortez.

What does the Pentagon say?

In a statement, the Department of Defense denied allegations of a cover-up.

Defense Department spokeswoman Sue Gough said investigators have not discovered “any verifiable information to substantiate claims that any programs regarding the possession or reverse-engineering of extraterrestrial materials have existed in the past or exist currently.” The statement did not address UFOs that are not suspected of being extraterrestrial objects, as per an Associated Press report.

This disclosure will mushroom into the **END TIME DELUSION OF MANKIND** folks and most people will be totally unprepared for how well planned and orchestrated it will be. The public will not see it coming nor will they have had the proper knowledge about this scam ahead of time and will fall for it hook line and sinker.
